of the old time southern colored girl. while the performance was the best minstrel work ever seen in this city. The cake walking and dancing was excellent. In fact the entire show was not only good, but clean from start to finish, there not being anything smacked of rowdyism or what could be called out of place by the most criti-

## DEFENSE

Food Production bill Congress officially recognizes a new instrument of national defense—the county agent

\$115,000 has been set aside for county agent work in Nebraska. This will be sufficient to put a county agent in every country organizing and to provide a food emergency agency for districts where regular county agents are not employed. County agents and food em ergency agents will be put to work organizing and mobilizing agricultural

the nation's highest counselors as the best instrument of increasing production as a defensive measure. The Agricultural Extension Service of the Uni plans for the extension of county agent and is ready to proceed with the program as soon as the bill is signed by the president and the emergency funds counties as they are ready to receive

Now is the time that your hens will make good, we will.—J. J. Slominski.

### SUMMER COMPLAINT.

During the hot weather of the summer months some member of almost every family is likely to be troubled with an unnatural looseness of the bowels, and it is of the greatest importance that he be treated promptly, which can only be done when the medicine is kept at hand. Mrs. F. F. Scott. Scottsville, N. Y., states, "I first used Chamberlain's Colic and Diarrhoea Remedy as much as five years ago. At that time I had a severe attack of summer complaint and was suffering intense pain. One dose relieved me. Other, members of my family have since used it with like results.
