How the folk of Belgium  
Will shout as we advance.  
How our boys will laugh and yell  
Who are now somewhere in France.  
Even the sober Englishmen  
Will greet us with a dance  
When we come to help whip the kaiser

Our fathers found wild turkeys  
That were mighty good to eat  
And the sweet potatoes  
That you'll find it hard to beat  
But submarines and aeroplanes  
Are going to be our meat  
While we are helping whip the kaiser.
