LOUP CITY NEWS NOTES

The local exemption board has received orders to send twenty-four more Sherman county men to Camp Funston, Fort Riley, Kansas, on the twenty-second of this month. It is not known at this time who will compose this quota, therefore the list of names cannot be published until next week.

Chris Oltjenbruns had quite an auto accident Sunday afternoon a few miles east of town. In turning a corner he ran into a cow, upsetting the car and badly demolishing the car. The cow died from the effects of the accident. Mr. Oltjenbruns was not hurt. His daughter, Elsie, who was riding with him was severely injured. While the accident was serious enough, it might have been a great deal worse and the occupants of the car consider that they escaped very luckily.

EXPERIENCE THE BEST TEACHER

It is generally admitted that experience is the best teacher, but should we not make use of the experience of others as well as our own? The experience of a thousand persons is more to be depended upon than that of one individual. Many thousands of persons have used Chamberlain's Cough Remedy for coughs and colds with the best results, which shows it to be a thoroughly reliable preparation for those diseases. Try it. It is prompt and efficient and pleasant to take.

COME AND SEE DEUEL COUNTY

In motion pictures on the east side of Court House Square on Thursday and Friday nights of the Sherman County Fair on Sept., 20 and 21st.

We have told you all about our country in previous ads, and now we are going to give you an opportunity to see Deuel County as it really is.

We have two reels of pictures of Chappell business houses and residences also farm and ranch scenes of Deuel County that were taken on July 6 and 7, of this year.

In these farm scenes you will see several different types of tractors at work. Some plowing, some pulling binders and some doing other farm work. We also have pictures of the Baldwin Grain Thresher at work.

This machine cuts and threshes the grain all at one operation.

These pictures will be thrown on a large screen in front of the Daddow Opera House immediately before the regular evening show. They will be free to all and we want you all to see them.

Whether you are interested in buying a home or making an investment it will pay you to come many miles to see these pictures. You will find them of great interest and very instructive.
