King Solomon's Notion.
That "There is nothing new under the sun" does not always convey the truth. Especially is this true as regards the new composite cars now operated daily via the Chicago, Union Pacific and Northwestern Line between Salt Lake City and Chicago. These handsome Buffet Smoking and Library Cars are entirely new throughout of latest design, contain all modern improvements, and are well supplied with writing material, the leading daily papers, illustrated periodicals, magazines, etc. The fact that these cars run daily via "The Overland Limited" and that the Union Pacific was the line west of Chicago to inaugurate this service should commend itself to all. See that your tickets read via "The Overland Route."

DON'T DO IT

Don't Dispute with a woman when she says our Goods are the Only Ones to Buy. Because she knows what she is talking about.

Don't Argue with her when she says Our Prices are MONEY-SAVERS. She talks like a sensible woman who knows what's what.

Don't Try to excuse yourself for going to some other store instead of Ours. You know that you can offer no reason that can be sufficient for passing the store where the BEST and CHEAPEST go together.

Don't Expect your wife to meet you pleasantly if you've gone to some other store than Ours, when she expressly told you to go nowhere else. Don't do these things if you expect to live long and keep your hair on.
