

ENTRY OF THE CZAR.

AS DESCRIBED BY SIR EDWARD ARNOLD.

A Grand and Gorgeous Show—Barbaric Splendor of the Oriental Representation—The Monarch and the Czarina Described—Moscow's Illumination—Money Spent Without Measure.

Never Anything Like It.

LONDON, May 23.—Sir Edwin Arnold, who went to Moscow on behalf of the Daily Telegraph, in his dispatch to that paper, describing the scene at the Kremlin and the entry of the czar into Moscow, says: "Why cannot one write in colors? There was never anything seen on any stage like the living kaleidoscope of fanciful attire of fantastic hues and embellishments visible around me, particularly in the Oriental element, and all the far Eastern nations. The officials from Khiva wore magenta colored velvet robes, gold embroidered and sugar-loaf hats. Now China contributed a dazzling group with flowered satin frocks and vermilion buttoned hats. Now a bevy of magnates from Lake Balkal astounded the eye with fur trimmed brocade and long red boots. Now I recognize the gray surtout and amber capprings of the Cossacks and try one of them with a greeting in Japanese. He politely murmurs. Some of the Khirgiz Tartars then appear in yellow silk and scarlet shawls, outgoing all, and at a window of the Gostinny Dvor there is a beautiful vision of a Circassian lady in black and orange brocade, glistening with pearls and turquoises. I abandon in despair the polychromatic aspects of the pageant.

HOT UNDER THE COLLAR.

Hill and Allen Exchange Left Handed Compliments. WASHINGTON, May 23.—The Senate had an hour of much excitement with a resort to obstructive tactics and several heated personal controversies at a late hour yesterday. The early portion of the session had been given to the routine of agreeing on conference reports on appropriation bills. At 5 o'clock Mr. Butler, Populist, of North Carolina moved to take up his bill prohibiting the further issue of interest-bearing bonds. Mr. Hill immediately moved an adjournment, securing an aye and nay vote in order to gain time. The motion to adjourn was defeated, whereupon Mr. Chandler followed with a motion for an executive session. Mr. Pettigrew asked leave to offer a supplementary conference report on the Indian bill. The consent being given, Mr. Hill immediately demanded the full reading of the report. This was an unexpected move for delay, as the report was voluminous. The presiding officer, Mr. Faulkner of West Virginia, ruled that Mr. Hill's demand was regular, and directed the clerk to proceed with the reading of the report. Senators Butler, Stewart and Allen interposed a chorus of protests. Mr. Allen said he hoped the senate would not violate every decency and propriety by these obstructive tactics.

AMNESTY FOR EXILES.

Coronation Day Will Be a Happy One All Over Russia. LONDON, May 21.—The Berlin Tageblatt says the czar's manifesto will give partial or complete amnesties to Russian prisoners in Siberia. Those sentenced to life penal servitude will receive mitigation of the sentence and offenders domiciled in Siberia will be permitted to return to any part of European Russia except St. Petersburg and Moscow. The sentences of those in jail in European Russia for serious offenses will be reduced by one-third. A large number of minor offenders will be completely pardoned. The peasantry in certain poor districts will be excused from arrears of crown dues. Even the Jews will not be forgotten and the ill-starred Hebrew agricultural colonies in Ekaterinaslav will also be excused from arrears. The Rome correspondent of the Chronicle also hears that the Vatican has received information that the czar will pardon all Catholic priests who have been imprisoned or sent to Siberia for breach of the public worship laws, and that he also promises to grant gradually a large measure of religious liberty to all the subjects, including the Catholics.

SECTARIAN CHARITIES.

Senate Passes Bill Appropriating for Them by a Big Vote. WASHINGTON, May 21.—The Senate passed the District of Columbia appropriation bill carrying approximately \$7,300,000. A debate on the question of appropriations for sectarian purposes cropped out on the paragraph making appropriations for charities in the District. On a vote, the Senate sustained the committee in providing specific appropriations for numerous private charitable institutions, some of them of a sectarian character, by a vote of 85 to 17. Following is the vote in detail: Yeas—Republicans, Aldrich, Allison, Cameron, Carter, Chandler, Cullom, Hale, Hawley, McBride, Perkins, Pettigrew, Shoup, Teller, Wetmore, Wilson—15. Total, 35. Nays—Republicans, Baker, Brown, Burrows, Cannon, Clark, Gallinger, Nelson, Pritchard, Warren—9. Democrats, Chilton, George, Mills—3. Populists, Peffer—1. Total, 13.

NEW LINE TO THE NORTH.

Mr. Stillwell's Kansas City and Northern Will Be Built. KANSAS CITY, Mo., May 21.—It is now definitely announced that the financing of the Kansas City and Northern Connecting railway has been finished and the actual construction of this railway will go ahead as quickly as the construction contracts can be let. The joint promoters and owners of the new system are the Missouri, Kansas and Texas Trust company of Kansas City, the Drexels of Philadelphia, Gilman and Son of New York and the European capitalists interested in the Missouri, Kansas and Texas Trust company. The Kansas City and Northern Connecting railway is the scheme for amalgamating the Quincy, Omaha & St. Louis lines. The new Northern Connecting road, to be pushed ahead now, picks up the Omaha & St. Louis at Pattonsburg, Mo., and the Quincy, Omaha & Kansas City at Trenton, Mo. Connection will probably be made with the Des Moines & Kansas City at Cainesville, Mo. Thus a new system is provided reaching directly from Kansas City to Omaha, Des Moines and Quincy. The Baltimore & Ohio is now at Beardstown, Ill., and will be brought to Kansas City. This new system will create the first essentially Kansas City railway north of the Missouri river.

FREE SILVER FUSION.

It Looks Like Fusion. INDIANAPOLIS, Ind., May 21.—Populist leaders of Indiana declare that within the last ten days an understanding has been reached whereby the Populists of every state in the Union are to accept the platform and candidate at the Chicago convention, in case both are for free silver. The leading Democratic advocates of free silver throughout the country have been quietly informed that if the Chicago convention adopts a free silver plank and nominates a candidate who will pledge himself to sign a free coinage bill if one comes to him from Congress, the action of the convention will be endorsed by the Populist and free silver national conventions at St. Louis, July 22. Representatives of the Populist party have been traveling through the West and South for six weeks suggesting that the State conventions be postponed until after the Democratic National convention shall have been held, and asking, too, that the Populists stand for the free coinage of silver as the pre-eminent issue. It is announced that in all directions the plans suggested are being carried out.

ANTI-M'KINLEY A. P. A. S.

The Disgruntled Faction Holds an Indignation Meeting.

WASHINGTON, May 20.—A condemnation meeting of some of the delegates of the American Protective Association claiming to represent twenty States was held after the adjournment of the convention, and a preamble and resolutions bearing on the McKinley matter were adopted. The preamble and resolutions adopted follow: Whereas, The Supreme Council of the A. P. A. of the United States, at its session Saturday evening, by an unanimous vote adopted the report of the National advisory board, which report indorsed the action of the executive committee of said board and in plain language said that the executive committee was justified in publishing the political affiliation of McKinley with the Roman political hierarchy, which affiliation is proven by the affidavits of reputable members of the order, and which affidavits have never been controverted except by the unsworn statement of Major McKinley himself, and Whereas, Major McKinley did on May 11, 1896, to a committee of the national advisory board in the city of Canton, Ohio, state he heartily approved the principles of the A. P. A., and on the following day gave an interview to the press denying that he had met such a committee, thus giving the lie to the report of the committee, which was composed of honorable and truthful gentlemen; and Whereas, The members of the Supreme council have, during its session, been hounded and badgered by a large McKinley lobby, composed of members and non-members of the order, that has used the most disreputable blackmailing methods to discredit the advisory board and turn the Supreme council into a McKinley ratification meeting, and having signally failed to clear McKinley of the consequences of his propal political record, to-day, after two-thirds of the delegates had started for home, attempted to take revenge by abolishing the national advisory board, and accomplished the same by a vote of 30 to 29.
