The farmers should commence at once to look out for a fine collective exhibit for the county fair. Northern Kansas has been invaded by grasshoppers and the crops almost wholly destroyed. Last Saturday was quite a busy day. There were more people in town than we have seen for several weeks. Emerson Smith was in the city Saturday of last week. E. A. was in attendance at the Independent convention. Harve Brewer's little boy has been very sick for the past two weeks but is reported some better at this writing. The rules of the M. E. church will be read during morning services next Sunday. It is earnestly desired that every member be present. A. F. Wortz, our genial B. & M. operator with his family left overland yesterday morning for a weeks visit to relatives in Blaine county. It is wonderful the way the corn crop has developed since the last rain. Everything around here that has been well attended is looking fine. Stewart McFadden started up his threshing machine to-day for the first time this season. He begins the work on the farm of J. W. Zink. A horse race took place last Monday between G. H. Say, we want a couple of good thrifty shoats on subscription. Who will bring them in? If you hav'nt got two to spare bring one and let some other fellow bring the other. J. H. Travis and W. H. Conger made a trip up through Lees Park a few days since and are responsible for the statement that the crops in that section are beautiful to behold. Chris Hauck has succeeded in getting a fine garden started again since the great storm, but like the rest of us he feels somewhat discouraged over the loss of his fine fruit trees. In the Spring time a young man's fancy lightly turns to thoughts of DeWitt's Little Early Risers, for they always cleanse the liver, purify the blood, and invigorate the system.—Odendahl Bros. Ice Cream and Cake will be served at the Palace Ice Cream Parlor of Mrs. M. E. Stellmacher, one door east of Chase's Drug Store, every Sunday afternoon and evening, also lemonade and cigars. We would be pleased to hear from "Pansy" every week. The more news we get hold of the better paper we get up. To have these items appear in the local paper is both profitable to you, your locality and to us. Come again "Pansy" Eczema is a frightful affliction, but like all other skin diseases it can be permanently cured by applications of DeWitt's Witch Hazel Salve. It never fails to cure Piles.—Odendahl Bros. Our citizens have been watching the grasshoppers going north this week. They seem to be quite thick and high up. In the southern part of this county and in Buffalo and Dawson counties they have done a great deal of damage to small grain. Last fall the Independents here said that "soon there would be no more republican party." It now looks as though there was soon to be no more independent party as most of its members seem to be willing to be swallowed by the democrats. Parties sending matter for publication to this paper must send their real name also. Not necessary for publications, but as a guarantee of good faith. If you do not wish your name mentioned all you have to do is to say so and the secret will be kept. A. L. Weaver, a prominent citizen of this city, after suffering years of trouble from piles for twenty years, was cured in a short time by using DeWitt's Witch Hazel Salve, an absolute cure for all skin diseases. More of this preparation is used than all others combined.—Odendahl Bros.

The Johnson County Agricultural and Mechanical Association will hold its annual fair September 8th to 11th. Rev. R. A. H. Rightenour, quit work in this office last Tuesday as work was slack and wages too low for a man of his push and energy. He is thinking of tackling the harvest and hay fields of Buffalo county, where wages will be more remunerative. Mr. Rightenour has been a good and trusty hand and we take pleasure in recommending him to the fraternity as such. He has our best wishes for his future success.

While at Ravenna a short time ago in company with W. R. Mellor we called on editor Cass of the Ravenna News and through the kindness of that gentleman were right royally entertained while awaiting the train, by being shown around town. One of the principle places of attraction was the interior of the Knights of Paythes hall which has recently been fitted with costly furniture and in a very artistic manner. In connection with the hall is established a reading room with an elegant library. The hall is neatly arranged and beautifully carpeted and furnished, and reflects credit and enterprise upon the boys of Ravenna. Ed. F. Chinn, of St. Paul, Nebraska and who is now representing the Mercer Chemical Co. of Omaha, was in our city Tuesday. Mr. Chinn is well acquainted with all our business men having been in the drug business in this county. In fact he has an extensive acquaintance all over the state and will prove a valuable employee for the firm he represents. The Mercer Chemical Co. is a good reliable firm and their goods are always fresh and reliable. Mr. Chinn sold some very nice bill to our druggists here and also to the druggists of Arcadia. This week we had at least three requests to mention as an item of news some articles or something that is purely in the advertising line, and if we granted the request it would no doubt be worth dollars to the parties. Now then if it is worth something to the interested parties, why is it not worth a small advertising fee for space. We are willing to do everything that we can for the benefit of others but must draw a line somewhere. Advertising space is of standard value and we cannot afford to keep on giving it away. It is our only stock in trade. Our old friend E. J. Delaney of Brooklyn, N. Y., and who has yet landed interests here sends us the wherewith to pay one year in advance for both this paper and the Semi-Weekly State Journal. Mr. Delaney still has the deep interest in Sherman county and the kindest regards and wishes of prosperity for her people. The tone of his letter unmistakably indicates that his old friends here are yet fresh in his memory. The NORTHWESTERN returns his kind consideration and wishes him success to the fullest extent possible. A school meeting of the voters of school district No. 1 is called to meet at the primary school house on Friday, July 30th for the purpose of instructing the board what to do in the matter of obtaining suitable rooms for holding school for the ensuing year. It is quite impossible to repair the old school building. It was a wreck before the storm but now it is a total wreck. The old school house is gone to — now Ben. And no other house can be found. And nothing remains to remind us of the place. But the dilapidated old play ground. FASHION NEWS. Harvesting has begun in good earnest, craps have come out better than expected since the storm. Young mothers dread the summer months on account of the great mortality among children caused by bowel troubles. Perfect safety may be assured those who keep on hand DeWitt's Colic & Cholera cure, and administer it promptly. For cramps, bilious colic, dysentery and diarrhea, it affords instant relief.—Odendahl Bros. Awarded Highest Honors. World's Fair. DR. PRICE'S CREAM BAKING POWDER MOST PERFECT MADE. The Independent county convention was held in this city last Saturday. J. M. Snyder was elected chairman and T. M. Scott secretary. Mr. Snyder in accepting the honor addressed the convention. After dwelling some time on the political situation, he mentioned the possible chance for fusion of the democrats and People's party, and in giving his own views on the subject stated that he was not yet ready to decide whether or not fusion would be to the best interests of the people, but he did not know but what he would be willing to be called a democrat this fall. C. H. King followed Mr. Snyder and dwelling on the same subject advocated the following of the middle-of-the-road. Mr. King stated that he was a populist and would vote that ticket. That he would live an independent and die an independent, and that he was not willing to go over to either of the "corrupt old parties." Other prelates were heard from after which resolutions with an emergency clause were adopted. Following the adoption of the resolutions the convention proceeded to elect delegates as follows: To the state convention at Grand Island, Lou Zink, S. H. Branscomb, J. M. Snyder, J. P. Taylor, B. A. McDowell, John O'Neal and John Minshall. Hastings, J. Vandergrift, R. M. Hilderson, E. A. Draper, Frank Badura, Hans Johnson, Peter Jacobson and James Slope. J. M.
