Ross Hammond, of the Fremont Tribune is spoken of as a probable candidate for the position of public printer. He will have the hearty endorsement of the republican press of Nebraska.

Senator Beall's bill to quash passes imposes a fine of \$500 to the party giving or receiving a pass on any railroad in the state, but it don't prohibit the railroad companies from selling a ticket to any part of the United States for the value of a tin whistle.

Senator Beall of Custer county introduced the first anti-pass bill. It is reported that it attracted considerable attention as a large majority of the members of the legislature have passed that are good until April 1. The penalty attached is a fine of \$500 for giving or receiving a free pass on a railroad.

One of the bills introduced in the Nebraska legislature is to the effect that any person or persons or corporations who shall take or receive a mortgage upon real estate to secure the payment of money loaned or any contract for the payment of money, shall not be entitled to any deficiency judgement against the mortgagor in case of foreclosure of said mortgage when said real estate so mortgaged shall fail to pay enough to satisfy the said mortgage and costs.

Governor Holecomb recommends a liberal appropriation by the Nebraska legislature for the Transmississippi Exposition to be held at Omaha. After sighting a great many of the benefits derived from other expositions, the governor in his message said: "You will be called upon by the management of the Transmississippi association to make an appropriation to aid the enterprise and I trust that the financial assistance given by you will be liberal and sufficient, so that our sister states and territories west of the Mississippi may be thereby encouraged to lend their substantial aid."

The annual meeting of the Beet Sugar Association will be held in the city of Hastings, Nebraska, on February 2 and 3, 1897 commencing at 2 o'clock P. M. Tuesday. Among the object of this meeting is to devise ways and means for securing additional sugar factories so that farmers disposed to diversify their products by the means of sugar beet culture, will have a market for them. Officers of the State University, the State Board of Agriculture, the State Horticultural Societies, Irrigation Associations or Companies, the State Dairyman's Association, the state Federation of labor County or local Agriculture or Horticultural Societies, Boards of Trade, Commercial Clubs, the State Normal School, Private Denominational Colleges, Labor Organizations and Farmers Institutes are invited.

THE K. OF P. ENTERTAINMENT.

It has been the custom of the K. of P. lodge of this city to give an annual free entertainment and ball. These entertainments have always been especially attractive and interesting. Not because they were free, however, but because the management take a great deal of pains to make it a grand success, and always employ home talent to participate in the plays. These entertainments have always been good and enjoyed by all who attended.

The entertainment which they gave last Friday night was more than up to standard and was attended by a crowded house. The play produced was entitled "A Box of Monkeys."

At the opening J. S. Pedler came forward and in making the announcement welcomed the people in behalf of the lodge. He stated that the past year had been a prosperous one for them, that a year ago when they were giving their entertainments they had only 15 members now the number has increased to 30.

As the curtain rose it was evident from the start that the audience was to have a rare treat. The characters presented were Mr. and Mrs. F. W. C. Tompkins, H. M. Mathews Miss Carrie Holcomb and Wm. Nelk. Space forbids us to characterize each, but we can assure you that each handled their respective parts well. Wm. Nelk's first appearance captured the roll, and the house, from the bald headed row in front to those occupying the standing space in the rear was convulsed with laughter. Mrs. Cline, Mrs. Mathew and Miss Holcomb also proked merrh on several different occasions. Mr. Cline's shyness served him well and in the love making scene he used it to the entire satisfaction of all present.

The dance that followed was very largely attended and was but a repetition of the good times heretofore experienced at former K. P. balls.

HIGH SCHOOL NOTES.

Anna Meir and Ethel Zine are enrolled among Mr. Kennedy's pupils since the holidays vacation.

In Memoriam.

Masonic Hall, Loup City Neb Jan 16 '97
As we the members of Oriental Chapter No. 78 Order of the Eastern Star have this evening assembled to consider essential matters pertaining to the welfare and prosperity of our order and to mingle with each other in our joys, we are also reminded that we should drop in the hands of sorrow the tear of affectionate sympathy.

One of our stars has fallen.
Since our last convocation our sister Edna F. Hall has been summoned to try the realities of the Great beyond. Thereby severing another link in the fraternal chain that binds us together.

Therefore be it resolved.
That we tender our Brother G. F. Hall and family our heartfelt sympathy in this the hour of their bereavement.

That our charter be draped in mourning for a period of thirty days.
That a page of our record be inscribed to the memory of our departed sister.

That these resolutions be spread upon our records and a copy thereof be sent to Brother Hall, and that each of the city papers be furnished with a copy for publication.

The Nebraska Legislature.

It is a recognized fact among Nebraskans that no matter what other daily paper they read at other times, during the legislative sessions they must get the Lincoln State Journal if they want all the News. The Journal is right on the ground can get the latest doings of the law makers and frequently gives the news one day earlier than the Omaha papers. The Journal's Washington Correspondent Mr. Annin keeps the Journal readers thoroughly posted on Matters of Interest to Nebraskans that are opening of the national capital. The Journal is mailed at 50 cents per month without Sunday or 65 cents per month with Sunday. It is a great payer.

Comfort To California.

Every Tuesday evening, a tourist sleeping car for Salt Lake City, San Francisco and Los Angeles leaves Omaha and Lincoln via the Burlington Route.

It is carpeted; upholstered in rattan; has spring seats and backs and is provided with curtains, bedding, towels, soap etc. An experienced excursion conductor and a uniformed Pullman porter accompany it through to the Pacific coast.

While neither as expensively finished nor as fine to look at as a sleeper, it is just as good to ride in. Second class tickets are honored and the price of a berth, wide enough and big enough for two, is very reasonable.

Constipation in its worst form, Dyspepsia, sick headache, biliousness and derangement of the liver are readily cured by DeWitt's Early Risers. These little Pills never gripe. Small pill, safe pill, best pill. Odendahl Bros.

Chicora, Pa., "Herald" Richard Vessel reports One Minute Cough Cure the greatest success of medical science. He told us that it cured his whole family of terrible coughs and colds, after all others so called cures had entirely failed. Mr. Vessel said, it assisted his children through a very bad siege of measles. One Minute Cough Cure makes expectation very easy and rapid. Odendahl Bros.

THE BEST SPRING MEDICINE

is SIMMONS LIVER REGULATOR—don't forget to take it. The Liver gets sluggish during the Winter, just like all nature, and the system becomes choked up by the accumulated waste, which brings on Malaria, Fever and Ague and Rheumatism. You want to wake up your Liver now, but be sure you take SIMMONS LIVER REGULATOR to do it. It also regulates the Liver—keeps it properly at work, when your system will be free from poison and the whole body invigorated. You get THE BEST BLOOD when your system is in Al condition, and that will only be when the Liver is kept active. Try a Liver Remedy once and note the difference. But take only SIMMONS LIVER REGULATOR—it is SIMMONS LIVER REGULATOR which makes the difference. Take it in powder or in liquid already prepared, or make a tea of the powder; but take SIMMONS LIVER REGULATOR. You'll find the RED Z on every package. Look for it.
