During the campaign the populist leaders were tenacious the amendments, and by an extra effort they succeeded in defeating them. Those same crackpops went wild shouting fraud during the six weeks spent by the legislature in recounting the ballots at an expense to the tax-payers of \$75.00 per hour. And all this in the hope of seating two populist Judges. They lacked 30,000 votes of carrying the propositions to start with, but in the recount they gained some 15,000 and the gain was principally in the populist strong holds of the State. In the vote of Sherman county they made a gain of 240 votes, or in other words, if they honestly gained that amount, they proved that the thirteen election boards, who were composed principally of populists, and the county canvassing board which was composed of County Clerk Rein and Editor Brown, (pops) and W. R. Mellor, (rep.) were guilty of fraud in the counting of the ballots and making un-lawful returns of the result of the election. Now readers do you suppose for a minute that the two populist on the canvassing board, one with a reform eye watching the ballots and the other with the same kind of an optic turned on the republican member of that board, was guilty of such fraud or do you believe that the legislature tampered with the ballots? One or the other of these circumstances must necessarily prevail.

### IMPORTANT NOTICE TO THE FARMERS OF Sherman and Adjoining Counties.

While the Farmers Union Insurance Company has established an office at Lincoln, the company will also continue an office in Grand Island which will be in charge of Secretary Wiese. General manager Brownfield will divide his time between the two offices. This will afford all the conveniences and advantages heretofore enjoyed by the members and patrons of this popular old company, and all old members, who left the company in 1892 and insured in other companies, no matter what company they may have insured in, can now be re-instated to their former policy by paying ONLY ONE DOLLAR and a small assessment for six months in advance, this carries a member for six months before another assessment is made. Farmers do not be bulldozed by agents of old line companies into deserting the Union and insuring in their companies and paying double the rate necessary five years in advance. Eleven years of liberal adjustments and prompt payment of every loss sustained by fire, lightning cyclone and tornado, has proven beyond a doubt that the old Union Insurance company furnishes the safest and most reliable insurance and AT ONE HALF THE COST OF OLD LINE COMPANIES. When an agent of an old line company seeks to destroy your confidence in, or keep you out of the Union, and by false statements and misrepresentations or the guise of friendship advises you to insure in his company, just remember he gets from one-fourth to nearly one-third of the whole amount charged for his policy. Suppose a policy with his Co. costs you forty dollars for securing your patronage and writing your application, and all this the farmer must pay with eight cent corn or other products equally as cheap. Why should not their products correspond in price with yours. The people need insurance more in hard times than they do in good, but there is no need in paying double what it is worth. Drop the Union a card or call at their office in Grand Island and join the Union and secure the best and safest insurance in existence at cost. "A dollar saved is a dollar earned."

A social supper will be given in honor of the G. A. R. Post and all old soldiers and families in Watkinson's hall on April 24, 1897. The G. A. R. people and members of the Circle and all old soldiers with their families are cordially invited to attend. Those who can are requested to bring a basket of good things, and have a good time.  
Mrs. C. HAUCK, President.

**WALL PAPER.**  
They that are dim of sight see truth only by halves. Some purchasers see only price, they are blind to quality. Some see only beauty, they are blind to price. Either is bad economy. But it is not bad economy to buy wall paper at the prices we quote them. Look over our samples before you go to house cleaning, find something that suits you and find our price. You will be surprised if you take quality into account.  
W. T. CHASE, Loup City Nebr.
