DEED. C. E. Rosseter received a telegram last Wednesday evening informed him of the death of his wife, who went to Chicago about a month ago for medical treatment. While this news was daily expected by friends and relatives here for sometime past, yet it is with much regret and sorrow that the news was received. Mrs. Rosseter was among the first settlers of Sherman county, and is well known to all our people. Her health has been quite poor for several months and all medical treatment failed to do her good, except perhaps for a little while at a time. She was taken to Chicago by her daughter Mrs. O. B. Willard who visited her while under treatment at Grand Island. But the change did her no good.

She leaves a husband, six daughters and three sons to mourn her loss. Her husband and two daughters Miss Lou Rosseter and Mrs. C. J. Odendahl still reside at Loup City.

By order of Pres. A. Watkinson was very seriously hurt last Saturday by falling down the cellar way to the store building. The cellar door opens opposite the entrance to the back of the building, and was wide open when the accident happened. Mr. Watkinson was moving something and stepped out of the door and into the cellar backwards. He fell to the bottom, some eight feet, striking his spine on the edge of the lower step. The physicians in attendance say that one of his ribs is torn loose from his spine and that his whole system is terribly shaken by the fall. It will probably take him weeks to recover.

For the meeting of the National Educational Association at Buffalo in 1896 the excellent service given by all those who had the pleasure of using that line. This year our educational friends met in Milwaukee, Wis., July 6th to 9th, and members of the association and others from points west of the Missouri River, should by all means take the Union Pacific.

The service of the Union Pacific via Omaha or Kansas City is the very best. The equipment consists of handsome day coaches, chair cars, pullman buffet and drawing room sleepers, dining cars and buffet smoking and library cars. Fewer changes than via any other line. One fare, plus \$2.50 for the round trip will be the rate from all points west of the Missouri River for this meeting.

It is carpeted upholstered in rattan; has spring seats and backs and is provided with curtains, bedding, towels, soap, etc. An experienced excursion conductor and a uniformed Pullman porter accompany it through to the Pacific coast.

For folder giving full particulars, call at nearest Burlington ticket office or write to J. FRANCIS, G. P. A., Burlington Route, Omaha, Neb.

Gasteyer's New Goods SELL At New Prices.

20 pounds of Granulated sugar for one dollar. 29 pounds New Orleans sugar for one hundred cents. 2 packages Arbuckles, German or xxxx coffee for Twenty-five cents.

A Word to the Ladies. We have just received as fine a line of ladies' wrappers and shirt waists as can be found in any town five times the size of Loup City. Why? Because our intelligent trade have discovered that they can buy as cheaply of us, as in Lincoln or Omaha; to say nothing of the advantage they gain in being able to look over the stock and buy what fits and suits them.

We pride ourselves in having the most intelligent class of trade in the city and surrounding country; and we invite any who have not yet called upon us to do so at their earliest convenience. Come and see for yourselves whether our goods and prices are not all right.

For those who do not care for ready made garments we carry an excellent line of muslins, calicoes, percales, lawns, white goods, etc.; also a few choice patterns of silk and wool novelties; at exceptionally low prices. For cheaper goods we have a good line of 12 1/2 cent novelty goods. A nice line of henriettes and novelties at 25 cents, a few all wool serge at 60 cents and an exceptionally fine piece of black silk warp henrietta at 45 cents which cannot be duplicated anywhere at that price.

A Chat With the Gentlemen. Do you know that we handle men's clothing? We do, and they are good ones too. They are called The Happy Home Clothing, and suits coming under this brand manufactured by Wachsman have a strong guarantee sewed on every coat sleeve, agreeing to keep the suit in repair one year. What more can you ask? Come and see our clothes and you will never regret it.

Then we have hats for all sized men and boys. Hats from 5 cents up as high as you please. They are dandy good hats too. All nice, new, clean stock which is several points in their favor.

Then we have shoes; a lot of the latest styles and colors just received. Greed, Oxblood, Tan. Come in and choose some for your wives and daughters. Your boys will come to help you pick them and yourself a pair. Now how would it do to wind up by telling you that we do not intend to let any little one-horse town in the country get all your trade just because we have no saloon. We want to sell at Chicago prices, and we'll do it too. Your wives will prefer Loup City because there is no saloon and you will too when you know you get your moneys worth.

Yours for new goods at low prices. C. GASTEYER.
