The philosopher tells us that "knowledge is power." The greatest power however lies in the wisdom of applying your knowledge so as to obtain the best results. Our knowl. edge of what is best suited to the needs of many in the way of dress, coupled with our great buying faculties, makes it possible for us to clothe you in a highly satisfactory manner and at prices which were unknown until we originated them.

Instead of selling on time and charging the same old prices which the credit system has always compelled, we do just the opposite. We buy for cash, get cash discounts, and by so doing are in a position to sell you for cash at the lowest price.
