

LOUP CITY NORTHWESTERN

VOL. XIV.

LOUP CITY, SHERMAN COUNTY, NEBRASKA, FRIDAY, DECEMBER 24, 1897.

NUMBER 40

The Arcadia Champion in its issue of two weeks ago said: "G. E. Hotchkiss has closed the Loup City mill for the winter." Only, however, to take it back in his issue of last week. But in doing so says, that "as a baibes of Champion's local was found in both the Loup City papers we hope they will be called on to give up as much space to correction as we have been." Now let us see what the NORTHWESTERN said about this, and whether or not Champion is not guilty of garbling our statement. The following is our language verbatim:

We are informed by the proprietor, Mr. Hotchkiss that the Loup City Roller Mill is shut down for the winter on account of the ice in the race which makes it impossible to obtain steady power to produce first class flour. He says that he has made arrangements to ship in flour in car load lots and will have plenty of flour on hand to supply the trade. He has at present 1000 sacks of his own make and will take special pains to secure the best in the market. We are also authorized to say that he will grind feed daily during the winter months and as soon as spring opens will make more needed improvements about the race, power, etc., which will enable him to operate the plant even more satisfactorily, both to himself and patrons.

Now we said that the mill was "shut down," meaning of course, as our article further explained, only as to the grinding of flour. Champion says that the mill was "closed." There is a vast difference between shutting down and closing, and when Champion deliberately said it was "closed," it no doubt meant to convey to its readers the idea that Mr. Hotchkiss had practically gone out of business for the winter. If Mr. Hotchkiss had closed the mill what in the name of common sense would he make arrangements to have flour shipped in by the car load, and why should he authorize us to say to the public that he would grind feed daily? Now we should hate to call Champion a pop, but garbling statements in this manner has an unmistakable tinge of popism about it. Champion also intimates that Mr. Hotchkiss takes this method to obtain free advertising. The fact is that Mr. Hotchkiss is a liberal advertiser and pays printers rates for advertising.

There is, apparently, one of two things the matter with Champion, either it meant to mislead its readers by stating that the Loup City mill was closed, or it has again taken a double dose of Bob Johnson's compound for constipation, the effect of which has so physically and mentally wrecked the being of its pencil pusher that he recklessly made the statement without even stopping to consider its effect.

HOW TO FIND OUT.

Fill a bottle or common glass with urine and let it stand twenty-four hours; a sediment or settling indicates an unhealthy condition of the kidneys. When urine stains linen it is evidence of kidney trouble. Two frequent desire to urinate or pain in the back, is also convincing proof that the kidneys and bladder are out of order.

There is comfort in the knowledge so often expressed, that Dr. Kilmer's Swamp-Root, the great kidney remedy fulfills every wish in relieving pain in the back, kidneys, liver, bladder and every part of the urinary passage. It corrects inability to urinate and itching pain in passing it, or bad effects following use of liquor, wine or beer, and overcomes that unpleasant necessity of being compelled to get up many times during the night to urinate. The mild and the extraordinary effect of Swamp-Root is soon realized. It stands the highest for its wonderful cures of the most distressing cases. If you need a medicine you should have the best. Sold by druggists, price fifty cents and one dollar. You may have a sample bottle and pamphlet both sent free by mail. Mention the NORTHWESTERN and send your address to Dr. Kilmer & Co., Binghamton, N. Y. The proprietor of this paper guarantee the genuineness of this offer.

How to Prevent Pneumonia.

At this time of the year a cold is very easily contracted, and if left to run its course without the aid of some reliable cough medicine is liable to result in that dread disease pneumonia. We know of no better remedy to cure a cough or cold than Chamberlain's Cough Remedy. We have used it extensively and it has always given entire satisfaction.—Olajah, Ind. Ter. Chief. This is the only remedy that is known to be a certain preventative of pneumonia. Among many thousands who have used it for colds and la grippe we have never yet learned of a single case having resulted in pneumonia. Persons having weak lungs or have reason to fear an attack of pneumonia, should keep the remedy at hand. The 25 and 50 cent sizes for sale by Odendahl Bros.

Mr. C. M. Dixon, a well known merchant of Pleasant Ridge, Fulton Co. Pa., has a little girl who is frequently threatened with croup, but when the first symptoms appear, his wife give her Chamberlain's Cough Remedy, which always affords prompt relief. The 25 and 50 cent sizes for sale by Odendahl Bros.

After hearing some friends continually praising Chamberlain's Colic Cholera and Diarrhoea Remedy, Curtis Peck of Anaheim, Cal., purchased a bottle of it for his own use and is now as enthusiastic over its wonderful work as anyone can be. The 25 and 50 cent sizes for sale by Odendahl Bros.

Mrs. Mary Bird, Harrisburg, Pa., says "My child is worth millions to me; yet I would have lost her by croup had I not invested twenty-five cents in a bottle of One Minute Cough Cure." It cures coughs, colds and all throat and lung troubles.—Odendahl Bros.
