DIED

Mrs. Eliza Daddow died at her home on Wiggle creek at 2:30 last Tuesday morning. She had been an invalid for more than ten years and suffered much during that period, until death at last relieved her. She was past seventy years of age and had lived the allotted three score years and ten. She was born in England, coming to this country a number of years ago. Her husband preceded her to the grave about three years ago. She was the mother of the Daddow Brothers who live south of town some 7 miles. The remains were buried at Verdurette on Wednesday.

And all will regret his early taking off, away from home in a strange land. But his amiable disposition would gain him early friends where ever he went.

Mike had been taking the paper up to the new year, when he concluded to curtail expenses and ordered it stopped, but he said he missed it very much and so took the first opportunity to renew. Mr. Bonczynski was at the county seat on a land deal, whereby he purchased three quarter sections joining land that he already owned. This makes five quarter sections of Sherman county soil which he now owns, all located in Rockville township. Frank came here many years ago, and was barely able to secure one quarter section at the time. He now has an excellent home, surrounded by these five quarter sections, or nearly so, with a large amount under cultivation. His land has cost him on an average of about \$1,600.00 per quarter.
