COMING BACK TO LOUP CITY

UNITED DOCTORS SPECIALISTS

will again be at the **FREDERICK HOTEL** **MONDAY, SEPTEMBER 20th, 1916** **ONE DAY ONLY** **Hours 10 a. m. to 8 p. m.** **Remarkable Success of these Talented Physicians in the Treatment of Chronic Diseases.**

The United Doctors, licensed by the State of Nebraska for the treatment of deformities and all nervous and chronic diseases of men, women and children, offer to all who call on this trip, consultation, examination, advice free, making no charge whatever, except the actual cost of treatment. All that is asked in return for these valuable services is that every person treated will state the result obtained to their friends and thus prove to the sick and afflicted in every city and locality, that at last treatments have been discovered that are reasonably sure and certain in their effect.

These doctors are among America's leading stomach and nerve specialists and are experts in the treatment of chronic diseases and so great and wonderful have been their results that in many cases it is hard to find the dividing line between skill and miracle.

Diseases of the stomach, intestines, liver, blood, skin, nerves, heart, spleen, kidneys, or bladder, rheumatism, bed-wetting, sciatica, diabetes, tape worm, leg ulcers, weak lungs and those afflicted with long-standing, deep seated, chronic diseases, that have baffled the skill of the family physicians, should not fail to call. Deafness often has been cured in sixty days.

According to their system no more operations for appendicitis, gall stones, tumors, goiter, piles, etc., as these diseases are treated without operation or hypodermic injection.

They were among the first in America to earn the name of "Bloodless" Surgeons," by doing away with the knife with blood and with all pain in the successful treatment of these dangerous diseases.

If you have kidney or bladder troubles bring a two ounce bottle of your urine for chemical analysis and microscopic examination.

No matter what your ailment may be, no matter what others may have told you, no matter what experience you may have had with other physicians, it will be to your advantage to see them at once. Have it forever settled in your mind. If your case is incurable they will give you such advice as may relieve and stay the disease. Do not put off this duty you owe yourself or friends or relatives who are suffering because of your sickness, as a visit at this time may help you.

Worn-out and run-down men or women, no matter what your ailment, consult them. It costs you nothing.

Remember, this last free offer is for this visit only.

Married ladies come with their husbands and minors with their parents.

Hupmobile

CAR OF THE AMERICAN FAMILY

Ask the Farmer

The average farmer judges the average man by his capacity for hard work—his productiveness.

And the qualities he admires in a man he admires—and finds—in a Hupmobile.

He likes the strong pull of the long-stroke motor. He has proved that the Hupmobile will stand hard knocks and rough going. It is always ready for service.

He knows that it is as nearly trouble-proof as a motor can be.

He knows that it will ask him next to nothing for its board and keep. Repair expense is almost zero.

He needs no technical knowledge to make such simple adjustments as the Hupmobile may require.

Hupmobile history can be summed up as one good car after another—each season a bigger value.

He figures that mighty few motor cars can show so clean a record.

His own experience is backed up by the experience of farmer friends and neighbors. They are all Hupmobile boosters.

So he keeps on buying one Hupmobile after another—always getting a high second-hand price when he sells—always getting a better Hupmobile when he buys.

He is one of the best friends the Hupmobile has in America.

The Hupmobile case is safe in his hands. Ask him about Hupmobile; and see the cars at our showrooms.
