On Sunday morning about 10 o'clock the front of the Farhat & Wehby store tumbled out into the street and caused quite an excitement for a while as many thought that the place was on fire and an explosion had caused the building to fall. The sidewalk gang that are putting down the new walks in front of the place took down the post from under the roof of the porch and the high wind took down the rest of the porch which was the cause of the wall coming down.

Louis Jane, a well known young farmer living eight miles northwest of here, passed to the far beyond from hence no one returns. After suffering with appendicitis for one week. All that doctors and loved ones could do was done, but death was stronger and claimed its own, Saturday, September 18, at 5 o'clock p. m. The news of his death was a great shock to this community as on Thursday at 1 Friday news from his bedside came that he was getting along fairly well, but at an early hour Saturday his relatives were called as he had taken a sudden change for the worse and the end was expected hourly. Mr. Jane was born in Howard county in the year of 1886 and was at the time of his death 29 years and 5 months old. In the spring of 1909 he was married to Miss Annie Sawicki. To this union were born four children, three girls and one boy. Mr. Jane was a hard-working man and was making rapid headway in building up a good home for his family and he was liked by all who knew him throughout Howard and Sherman counties and his scores of friends will sadly miss him from their midst for years to come. He leaves to mourn him, besides his wife and four little children, his aged parents and five sisters, Mrs. Paul Wesherski, Mrs. Harry Lorenz, Mrs. Nick Pawlowski, Mrs. S. Krance and Mrs. John Bydalek. Funeral services were held at the St. Mary's church at Paplin on Tuesday at 10 o'clock, conducted by Father Cherek and assisted by Father Radka of Ashton. Father Jarka of Loup City and Father Garzenski of Farwell. A very large crowd of relatives and friends followed the remains to their last resting place in the Paplin cemetery.

Hupmobile

CAR OF THE AMERICAN FAMILY

Ask the Hupmobile Dealer

Ask him why he continues to sell the Hupmobile year after year.

He will tell you: "Because the Hupmobile grows better year after year."

He is not afraid to meet any man to whom he has sold a Hupmobile.

His customers last year, are his customers this year.

And better than that—they are his friends, as well as his customers.

They go out of their way to help him make Hupmobile sales.

From twenty-five to fifty per cent of his new buyers, come, he will tell you, from the recommendations of old friends.

He does not hesitate to refer to them—they do not hesitate to endorse the Hupmobile.

Do you know of another car of which this is so widely, so enthusiastically, true?

Where the average man buys one car, the Hupmobile dealer buys scores, or even hundreds.

He pays his money for these cars, the same as you pay for yours.

He had to be sold on the Hupmobile before he would make this investment, the same as you have to be sold.

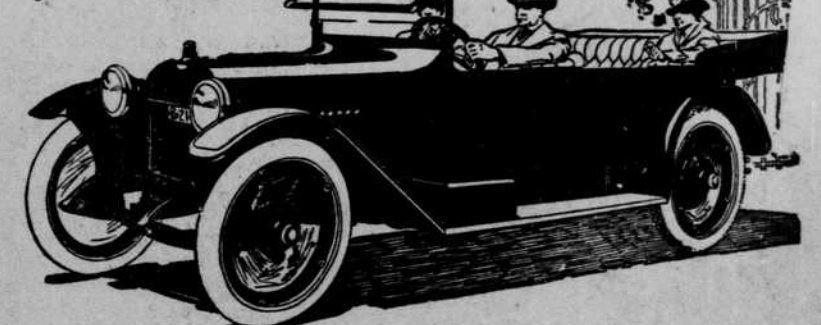

The Hupmobile dealer, naturally, is prejudiced in favor of the Hupmobile.

But isn't that very prejudice—that extreme enthusiasm—the strongest endorsement you could ask?

If he has held the friendship of his Hupmobile owners through all these years, he will hold your friendship, too.

What is true of Hupmobile dealers generally is true of us. Let us show you the 1915 Hupmobile.
