Judge Properly Warned.

In a rural justice court the defendant in a case was sentenced to serve 30 days in jail. He had known the judge from boyhood and addressed him as follows:

"Bill, old boy, you're a gwine ter send me ter jail, air you?"

"That's what," replied the judge. "Have you got anything to say against it?"

"Only this here, Bill: It will be bad for you when I git out!"

SUFFERED FOR FOUR YEARS.

Mr. J. M. Sinclair of Olivehill, Tenn., writes: "I strained my back, which weakened my kidneys and caused an awful bad backache and inflammation of the bladder. Later I became so much worse that I consulted a doctor, who said that I had Diabetes and that my heart was affected. I suffered for four years and was in a nervous state and very much depressed. The doctor's medicine didn't help me, so I decided to try Dods' Kidney Pills, and I cannot say enough to express my relief and thankfulness, as they cured me. Diamond Dinner Pills cured me of Constipation."

QUARREL OVER WAR
MEMBERS OF ITALIAN CABINET FIGHT DURING SESSION.

PEACE MOVEMENT SUGGESTED

High Army Official Says He Would Rather Resign Post Than Allow Troops to Help in Balkans.

Rome—Sharp differences of opinion have developed in the cabinet concerning the war. These differences have not reached the extent of a crisis, but have brought about a conflict in views, leading to an exciting incident.

One of the ministers at a recent meeting of the cabinet is said to have expressed the view that Italy's best interests would be served by assisting a movement toward the restoration of peace. This caused an angry protest, and charges were made against the good faith of the minister suggesting peace. Epithets were engaged in and one of the ministers, according to reports, overcome by indignation, threw a book at his colleague whose suggestion had caused the strife.

While a cabinet crisis, such as those which have occurred in France, England and Russia have been avoided, opinion here is divided concerning the conduct of the war, especially as regards a Balkan expedition. Lieutenant General Count Cadorna's will has triumphed in this respect. He said he would rather resign as chief of the general staff than allow a part of his troops to participate in a Balkan undertaking, and his view was finally adopted by the minister of war and the entire cabinet.

Existing relations between Italy and Germany are a subject of interest among Italian political observers, owing to the lack of declaration of war upon either side, and because both countries seemingly are avoiding anything which might embitter their intercourse. Negotiations are actually taking place with a view to an exchange between the two countries of certain product which do not bear directly on the war.

In some well-informed quarters it is thought when Italy denounced the triple alliance and joined the entente allies, it made a declaration to the entente that its participation in the war was limited to fighting Austria-Hungary, with the object of conquering the Italian provinces still subject to Austrian rule, at the same time stating that it did not wish to extend hostilities to Germany. This situation, it is pointed out, might enable the two countries to help each other in given circumstances.

First Order by Wireless 'Phone.

Washington, D. C.—Secretary Daniels transmitted the first naval order sent by wireless telephone, November 5, to Rear Admiral Usher at the New York navy yards. From his desk in the navy department, the secretary talked to the commandant of the New York yards by way of the big government radio towers at Arlington and ordered a report of repairs to the dreadnought. Navy officials say the achievement brings close a day when the secretary of war may sit at his desk in Washington and talk to the fleet commanders all over the world. Secretary Daniels transmitted this verbal order, which was taken down by a stenographer in Admiral Usher's office and acknowledged verbally by the admiral himself: "Rear Admiral Usher, commandant, New York navy yard: Report as soon as practicable after the arrival of the New York how soon the repairs recommended can be completed."

Plots Cost Half Million.

New York.—At least \$500,000 has been expended in carrying out alleged German plots in this country in an effort to prevent war munitions from reaching the allies, according to a statement made by one of the officials investigating the cases of Robert Fay, who claimed to be a German army lieutenant, and five alleged accomplices. Federal authorities admitted that they considered unreliable the lengthy story which Fay readily told concerning his life history and activities in connection with plots against steamships carrying munitions from this country to the allies. Fay, it is said, is now believed to be a Hungarian, whose real name is Feji.

War Planes Crash in Air.

ANURIC!
The Newest Discovery in Chemistry

This is a recent discovery of Doctor Pierce, who is head of the Invalld's Hotel and Surgical Institute at Buffalo, N. Y. Experiments at Dr. Pierce's Hospital for several years proved that there is no other eliminator of uric acid that can be compared to it. For those easily recognized symptoms of inflammation—as backache, scalding urine and frequent urination, as well as sediment in the urine, or if uric acid in the blood has caused rheumatism, it is simply wonderful how surely "Anuric" acts. The best of results are always obtained in cases of acute rheumatism in the joints, in gravel and gout, and invariably the pains and stiffness so frequently and persistently accompany the disease rapidly disappear. Go to your nearest drug store and simply ask for a 50-cent package of "Anuric" manufactured by Dr. Pierce, or even write Dr. Pierce for a large trial package (10c). If you suspect kidney or bladder trouble, send him a sample of your water and describe symptoms. Dr. Pierce's chemist will examine it, then Dr. Pierce will report to you without fee or charge.

NOTE.—"Anuric" is thirty-seven times more active than lithia in eliminating uric acid, and is a harmless but reliable chemical compound that may be safely given to children, but should be used only by grown-ups who actually wish to restore their kidneys to perfect health, by conscientiously using one box—or more in extreme cases—as "Anuric" (thanks to Doctor Pierce's achievement) is by far the most perfect kidney and bladder corrector obtainable.

Good Reason.

"Does the autumn make you melancholy?"

"Yes, indeed."

"You don't look like a man of poetic ideas."

"I'm not. For five years my wife has been trying to get me to buy her a sealskin coat and the struggle begins anew every year about September 1."

He Got Them Mixed.

A Missouri farmer had ordered a fancy pig from a breeder. The pig was a mere mite of a pig, and the farmer sent it back. "Dear Sir," he wrote. "From the comparative size of the pig and the bill, I am forced to the conclusion that you got them mixed. You should have sent the pig by mail and the bill by express."—Youth's Companion.
