AN ESSAY ON "NOO YEAR'S"

Little Eddie Gives His Reasons for

the Annual Holiday and Its

Celebrations.

Noo Yeers is the time when a man

takes off enuf time ter think what a

fine feller he mite be if he was only a

arownd his hed. The resolushuns pee-

pul make are like the toys you buy

Another objekt of Noo Years is to

giv the wine sellers and the cellars

to brake in. When the clocks get to

the rite place and al the waiters have

been pade, the veer comes in, and

then everybuddy stands up and hollers

or else blows horns. Why peepul

should do this I don't kno, unles it is

that they don't want the year to

think it has slipped in withowt enny-

buddy knowing it. The feeling on the

moarning aftur Noo Year's is respon-

sible for menny of the resolushuns.

Pa sez that if evvury Noo Yeer's reso-

could suggest the resolushun fer the

othur, and ma sed all rite. Then you

can resolve, sed pa, not to ask me

whare I hav been when I come home

late at nite. I guess that is a good

one, isn't it, Eddie, he sed to me. Then

ma told him what to resolve, which

was this-you resolve not to go owt

at nites for a yeer. Pa got pritty scre.

you bet, and went and got a loryer

friend to get up an argyment to prove

that he didn't have to live up to the

agreemunt, being as his resolushun

chanct ter celebrate. On Noo

Hogs Following Steers in Feeding Lots.

New Year a Good Time to Remember the Needy and Struggling Who

Are Close to Home. All history teaches us that all condi-

tions change and that every war cloud must eventually pass away. It is the fervent hope and prayer of all nations that peace will come with 1916. Meanwhile every individual has his own plans for the new year and they are usually generous and kindly in purpose: a universal spirit that explains the cheery hopes for the new year.

True, it has been with many rather a strenuous and exacting time in planof the surplus of last year, but they will be none the less appreciated, be cause this year's benefactions possibly represent a greater sacrifice than those of years past. Then, too, there have been heavy claims on American generosity for funds with which to send contributions for the millions of suffering, homeless and destitute peo-

> But on New Year's day we should look more closely at home, and remember that around us are many that need help and assistance. There are thousands of struggling men and women that need just now something in the way of encouragement and inspiration. to say nothing of a little financial boost here and there.

> The New Year has always been a popular holiday with me, because the greeting carries the word "happy." and I wonder if happiness is not, after all, what most of us are seeking. We

work for it; we plan for it and ought. to be thankful when we find it, and when you say "happy," you must feel happy and look happy. The word "happy" comes from

"hap," and "hap" means chance-good fortune, and implies peace and joyous hours. What a slender thread be-

tween "happy" and "hapless, ' and we shut both eyes and hold on to that feel on this occasion like using Shakespeare's greeting, "All happiness be chance to thee." We just stop and look at the word as it stands out by exercise the tenacity of a bull pup itself and that is why it seems so apand hold on.
