LOYD N. BLY.
Cheer up! At worst this life is just one blissful dream of things we never get.
A few people know of the wise man's wisdom, but everybody knows of the fool's foolishness.

Mrs. Eugene Patton attended the Ladies' Industrial society at Austin Tuesday, returning home in the evening.
Mrs. W. S. Steen was an eastbound passenger for Lincoln Wednesday morning to attend the funeral of her father-in-law.

No lovers of fun, music and dancing should miss "This is the Life" which comes to the Daddow opera house on Monday, February 28. Its music is the prettiest and most stimulating in recent years. The principle cities where it has appeared have grown enraptured over its delightful melodies, its sparkle and piquancy while its exceptional dances have tickled the big towns foolish.

The Eastern Star held a banquet at their hall on Monday evening.
Mrs. Rentfrow arrived here Monday evening from Omaha for a short visit with her daughter, Mrs. R. T. Young, and family and other relatives and friends.

Halton Powell's latest vehicle, "This is the Life" will appear at the opera house on Monday, February 28, for one night only. "This is the Life" is a new song and dance show and comes here well recommended. It will undoubtedly be one of the most popular attractions here this season.

Cash Prichard received a bad bump on the side of the head Sunday afternoon while watching a ball game. A bat in the hands of a player broke and the broken end caught Cash above the ear making a bad wound. He will be in good shape before the ball season really starts.

The Indian operetta "The Feast of the Red Corn" given by the Girl's Glee club of the high school at the opera house last Friday evening was greeted by a full house and everyone was well pleased with the operetta. Every number was especially good and the singing delighted all. A great deal of credit is due the instructor, Mrs. Owen, as well as the girls for their splendid production. The talent here in Loup City is equal or better than most companies traveling on the road today.

Alonzo Daddow, a young farmer residing near Austin filed on Saturday for the republican nomination for state representative from the 57th district. Mr. Daddow has been a resident of Sherman county for thirty-four years and this is his first venture in politics. We believe that Mr. Daddow would represent this district in the state legislature if given the chance. He is well qualified and the issues of his campaign will be fully set forth before the votes before election day rolls around.

ANNOUNCEMENT
I have recently made an extended trip to Omaha and other eastern points for the benefit of my customers. While in Chicago, I was fortunate in purchasing spring, summer and fall goods from wholesale manufacturers at very low and unheard of prices in Loup City. Goods are now coming in daily and my store will soon be stocked.

The public is most cordially invited to examine my goods and compare them as well as the prices. Why send off your good money for goods to the mail order houses, since you can buy all lines of goods from me just as cheap and cheaper, and goods you can see.

TRY LEWANDOWSKI'S FIRST

Three petitions were circulated this week for nominations to place upon the city ticket at the April municipal election, R. H. Mathew for Mayor, Peter Rowe for clerk and L. Hansen for treasurer. All these are worthy and time only will tell whether they will have any opposition or not.

Spring Opening and Demonstration. Kozel & Sorenson, the progressive implement, hardware and furniture dealers at Rockville are advertising a big spring opening and demonstration at their store on Saturday, March 11. This will be a big day. Special representatives from the various firms will be there to demonstrate the machinery that is handled by this enterprising firm. As a special inducement to purchasers on that day a discount of five per cent will be given on all cash sales on everything sold, with the exception of automobiles and gas tractors.

FIRST PIONEER DANCE

(By Alfred Flint.)

The first white mans' dance in the muddy and clear creek valleys of '74 in the late winter or early spring, I forgot the exact date, the settlers below around Sweetwater, sent me word they were coming up to my place to have a dance, they were not so numerous, when I moved up here in September '73. Harvin Hughes Christian a dane, Jack McGee, Bill Hilson, and Buck Skin Jack (Jack Hendrix) were the only settlers on the Beaver then. Their nearest neighbors were on Prairie Creek below Cairo. James Roberts, Bob Hodge, Thomas Crostin, old man Hadex and Charles Johnson, moved on in the early winter. This to the best of my recollections were all living at this time on the Beaver valley and no one but me on the Clear creek and muddy valley.

So we made preparations for them and as people in those days were always hungry I went out and killed a black tailed buck for the occasion. He wasn't so fat and we were not so particular, and as the custom was to come to supper and stay for breakfast, there was nothing left after breakfast.

Our dugout and cedar log abode was about 18x24. We cleared out the west end for the dance (all square) and amongst other things our rifles were put just outside the door. It was one of those beautiful moonlight nights almost as clear as day. Jack Hendrix furnished the music. Along

about two or three o'clock in the morning I had just prominated with Mrs. C. Johnson, she was quite fleshy and anything but a good dancer and as we were jumping around she remarked this is hipity hop. As we returned to our station my back to the door, two Indians were seen watching us, their painted faces close to the window on the east end. Mrs. James Roberts was the first to see them, she screamed, and Jack threw his violin across the floor and said, boys, the Indians are on us. Of course my first thought was our guns I pulled my 45 six shooter held it at my shoulder reached out and pulled in the guns, then I felt safe for I knew they could not get us out of that dugout. The Indians when they found out they were discovered, ran. Bob Hodge, who happened to be outside saw them run up the hill. We went out and looked for them but saw no more of them, so we danced until morning and after breakfast all went home. I went out and looked for the Indians but saw no more of them. I think they expected to catch me alone that night and were disappointed to find I had company.

There certainly was some commotion in that dugout for a few minutes. John Roberts who lives now southwest of Hazard was a chunk of a boy at that time. About two years ago I asked John if he remembered it and he said "My God I'll never forget it."

DEER CREEK ITEM.
We were glad to note that our friend, Miss Minnie Plambeck won the piano at the Booster store at Ashton Monday. She has been working hard so she could finish up at the first place and she did. She had but few patrons to help her out for the past nine months, and now she will put up a free dance at Ashton in the near future.

W. T. GIBSON FILES.
W. T. Gibson has filed for the nomination on the republican ticket, for supervisor of this, the Fourth district. Mr. Gibson would be a good man for the place. He has been a resident of the county for a great many years and thoroughly understands the duties of the office. He will be a strong candidate.

DOING A BIG BUSINESS.
The Loup City Mill & Light Co., during the last couple of weeks have shipped full car loads of flour and feed to the following stations: Dunning, Mason City, Arcadia, Berwyn, Sargent, Ashton, Scotts Bluff, Archer, Ansley, Pleasanton, Theford and Central City, besides several car-loads that have gone out locally. Mr. Taylor reports they have several more car loads sold to be shipped as fast as they can grind the flour.

MOTHERS.
Should see that the whole family take at least three or four doses of a thorough, purifying system cleaning medicine this spring. Now is the time. The family will be healthier, happier and get along better if the blood is given a thorough purifying, the stomach and bowels cleaned out, and the germs of winter, accumulated in the system driven away. Hollister's Rocky Mountain Tea is the very best and surest Spring Remedy to take. Get it at once and see the difference in the whole family. Their color will be better, they'll feel fine and be well and happy. 35c. The best spring tonic laxative, purifier.—Graef Pharmacy.

THIS IS THE LIFE.
The management of the Daddow theater takes pleasure in announcing the coming of one of the latest and best musical comedies, which will appear at the theatre on Monday, February 28. "This is the Life" promises to exceed the laughter limit with its clean bright, wholesome comedy. It has been many years since the theater-going public have had an opportunity to witness a musical comedy of this kind. Halton Powell, considered to be one of the largest producers of musical comedies in the west, has spared no expense in launching this organization, selecting the best to uphold his years of reputation. The cast, which has been carefully selected, are well known to musical comedy lovers, having appeared in the larger cities with well-known productions. The chorus of young and pretty maidens sing and dance gracefully. Mr. Powell's brand of "girl" shows has never failed to please the most critical audience, because he is quick to anticipate the public wants and never disappoints. "This is the Life" which will appear here for the first time comes well recommended and judging from the newspaper criticisms of other larger cities it will be the best musical comedy that will play here this season. The scenic production is carried complete and the costumes are said to be magnificent. It is safe to say that you will not go wrong when you witness "This is the Life."

Mr. and Mrs. J. A. Trefney, who have been here visiting with Mrs. Trefney's brother, W. P. Taylor, and wife, returned to their home at Al-lance last Saturday morning.

Mrs. B. S. Sheppardson, who has been here visiting with her brother, C. S. Reynolds, and other relatives and friends, returned to her home at Mason City Monday morning.

Miss Pearle Needham was an east-bound passenger for Omaha Tuesday morning for a short visit with relatives and friends.

P. W. Rounds of Arcadia was in our city Wednesday on business.
