SO SMITH DIDN'T GET IT

Debtor Was Perfectly Willing to Pay Bill, and the Arrangement Satisfied All Parties.

A very angry client entered a New York lawyer's office. He had called upon a debtor and asked him politely to pay a bill of \$250, and had been abused for his pains. Now he wanted the lawyer to collect it.

The lawyer demurred. The bill was so small that it would cost the whole amount to collect it.

No matter, said the angry one. I don't care if I don't get a cent as long as that fellow has to pay it.

So the lawyer wrote the debtor a letter, and in a day or two the latter appeared in high dudgeon. He did not owe any \$250, and he would not pay.

"Very well," said the lawyer; "then my instructions are to sue. But I should hardly think it would pay you to stand suit for so small a sum."

"Who will get the money if I pay it?" asked the man.

The lawyer was obliged to confess that he should.

"Very well," said the debtor; "that's another matter. If Smith isn't going to get it, I am perfectly willing to pay it."—Youth's Companion.

SWAMP-ROOT SAVES KIDNEY SUFFERERS

You naturally feel secure when you know that Dr. Kilmer's Swamp-Root, the great kidney, liver and bladder remedy, is absolutely pure and contains no harmful or habit producing drugs.

The same standard of purity, strength and excellence, prescribed by Dr. Kilmer many years ago, is maintained in every bottle of Swamp-Root.

Swamp-Root is scientifically compounded from vegetable herbs. It is not a stimulant and is taken in teaspoonful doses. It is not recommended for everything. According to verified testimony it is nature's helper in relieving and overhauling kidney, liver and bladder troubles.

If you suffer, don't delay another day. Go to your nearest druggist now and get a bottle. All drug stores sell it in two sizes—fifty cents and one dollar.

However, if you wish first to try this great preparation send ten cents to Dr. Kilmer & Co., Binghamton, N. Y., for a sample bottle. When writing be sure and mention this paper.—Adv.

Keep Away. "Wot kind of a town is Hicksbury?" asked the first occupant of the box car.

"Don't you never go there, Budy," said the other. "The sheriff is a bug on gardenin', an' 'bout this time of the year he makes all the prisoners git out an' spade up his back yard."

For a really fine coffee at a moderate price, drink Denison's Seminole Brand, 35c the lb., in sealed cans.

Only one merchant in each town sells Seminole. If your grocer isn't the one, write the Denison Coffee Co., Chicago, for a souvenir and the name of your Seminole dealer.

Buy the 3 lb. Canister Can for \$1.00.—Adv.

All Hard. "I can sell you this house on very easy payments."

"That's interesting. I didn't know there was any such thing as easy payments."

When men have more money than they need they think they need more than they have.

Dr. Pierce's Pellets are best for liver, bowels and stomach. One little Pellet for a laxative—three for a cathartic.—Adv.

The Lord loveth a cheerful giver—and so does every man, woman and child on earth.

PRIMARY RESULTS

DEMOCRATS OF STATE NOMINATE NEVILLE FOR GOVERNOR.

REPUBLICANS CHOSE SUTTON

Edgar Howard Nominated by the Democrats for Lieutenant Governor; Shumway, Republican, Wins.

William J. Bryan ran far behind in the totals and his chances for going to St. Louis as a delegate-at-large are very remote.

John L. Kennedy defeated Chester H. Aldrich for the nomination for United States senator on the republican ticket, and Gilbert M. Hitchcock won over Ignatius J. Dunn on the democratic side.

For national committeeman, the republicans chose R. Beecher Howell over Charles F. McGrew, and the democrats preferred Arthur Mallen to James C. Dahlman.

How to avoid Operations

These Three Women Tell How They Escaped the Dreadful Ordeal of Surgical Operations.

Hospitals are great and necessary institutions, but they should be the last resort for women who suffer with ills peculiar to their sex. Many letters on file in the Pinkham Laboratory at Lynn, Mass., prove that a great number of women after they have been recommended to submit to an operation have been made well by Lydia E. Pinkham's Vegetable Compound. Here are three such letters. All sick women should read them.

Marinette, Wis.—"I went to the doctor and he told me I must have an operation for a female trouble, and I hated to have it done as I had been married only a short time. I would have terrible pains and my hands and feet were cold all the time. I took Lydia E. Pinkham's Vegetable Compound and was cured, and I feel better in every way. I give you permission to publish my name because I am so thankful that I feel well again."

—Mrs. FRED BENNE, Marinette, Wis.

Detroit, Mich.—"When I first took Lydia E. Pinkham's Vegetable Compound I was so run down with female troubles that I could not do anything, and our doctor said I would have to undergo an operation. I could hardly walk without help so when I read about the Vegetable Compound and what it had done for others I thought I would try it. I got a bottle of Lydia E. Pinkham's Vegetable Compound and a package of Lydia E. Pinkham's Sanative Wash and used them according to directions. They helped me and today I am able to do all my work and I am well."

—Mrs. THOS. DWYER, 959 Milwaukee Ave., East, Detroit, Mich.

Bellevue, Pa.—"I suffered more than tongue can tell with terrible bearing down pains and inflammation. I tried several doctors and they all told me the same story; that I never could get well without an operation and I just dreaded the thought of that. I also tried a good many other medicines that were recommended to me and none of them helped me until a friend advised me to give Lydia E. Pinkham's Vegetable Compound a trial. The first bottle helped, I kept taking it and now I don't know what it is to be sick any more and I am picking up in weight. I am 20 years old and weigh 145 pounds. It will be the greatest pleasure to me if I can have the opportunity to recommend it to any other suffering woman."

—Miss IRENE FROELICHER, 1923 Manhattan St., North Side, Bellevue, Pa.

If you would like special advice write to Lydia E. Pinkham Med. Co. (confidential), Lynn, Mass. Your letter will be opened, read and answered by a woman and held in strict confidence.

FOR THE SUPREME COURT. Returns from eleven counties on nominations for the supreme court show the following figures:

Chief Justice. (Two to be nominated). Fawcett 16,955; Morrissey 16,413.

Associate Justice. (Six to be nominated). Cornish 16,603; Deane 10,068; Barnes 12,827; Hunt 9,501; Hastings 11,794; Martin 9,900; Sedgwick 11,445; Palmer 8,514; Goss 10,150; Fallow 5,782.

Many Errors in Ballots. Lincoln.—The present primary does not, like wine, improve with age, apparently, for this year more errors were made in printing of the ballots than ever before.

In one voting precinct of Lincoln the name of E. W. Miskel of the First district, candidate for republican presidential elector, instead of appearing in the place it should, was found among the republican candidates for delegates, and in order to remedy the defect a pencil was drawn through the name and the name written on the blank line where it should appear.

In Wrong Column. In another precinct of the democratic ticket in rotating the names in printing, the name of Felix J. Gallagher, candidate for delegate at large, was placed under the name of John H. Morehead as a candidate for vice president.

In Antelope county the ballots were printed instructing the voter to vote for two candidates for chief justice instead of one, and six for associate justice instead of three.

In printing the sample ballots, the democratic committee of Lancaster county, which got out a large number of samples because no samples were printed this year according to the provisions of the new law, which required the ballot published in the papers, the name of Arthur F. Mullen appears twice on the ballot as a candidate for democratic national committeeman, and the name of James C. Dahlman did not appear at all.

Sees Hard Times in Germany. Amsterdam (Via London)—The Lok Anzeiger of Berlin publishes an interview with Dr. von Lantze, Prussian finance minister, in which he forecasts great financial difficulties not only for the German empire, but for the individual states of the empire. He expresses the belief that it may be necessary for the empire to levy direct taxes upon the states, notwithstanding the fact that the German constitution does not provide for such measures.
