**NEW PASSENGER SERVICE**  
 TO DOUGLAS AND CASPER, WYOMING COMMENCING JUNE 4th, 1916.

The Burlington announces through passenger service between Omaha, Lincoln, Eastern Nebraska and the North Platte Valley, Douglas, Casper and Central Wyoming via the Wendover Cut-off. The Westbound service will be Train 43 to Alliance and new Train No. 31 from Alliance at 1:00 o'clock p. m., arriving at Casper 9:50 o'clock p. m. Eastbound, new Train 32, leaves Casper at 2:55 p. m., connection at Alliance with No. 42 for Eastern Nebraska.

Through Standard Sleepers between Omaha, Lincoln and Scottsbluff, Douglas and Casper, Wyoming.

The completion of the Wendover Link between the Burlington's Central Wyoming and North Platte Valley lines gives this System a new through and low grade route to Central Wyoming and the Big Horn Basin. The entire zone of territory traversed by this new main line is quickening with the development of Government irrigated areas, of extensive oil discoveries, new beet sugar factories, and growing industrial towns. 10,000 acres of splendid Government irrigated land near Powell, Wyo., adjacent to this new main line will probably be opened for entry this Autumn. Bear this in mind. Those lands will be taken at once.

one-half hour before, so that the carrier can get a card in his mail reminding him of a package for you in his wagon.  
 The past week has been dry and the farmers have been working hard to finish their corn planting. Corn is all in and cultivation of the early planting has commenced in earnest. Some have almost gone over their corn the first time. Winter wheat will soon be in head. The crop looks good. Oats are looking fine this week. Potatoes have made a wonderful growth in the past week, lots of them cultivated over once. Alfalfa is in bloom. Pastures look pretty good. There will be no choke cherries on route two to speak of. Wild grapes will make a good crop. We need a rain to soften the crust in the fields, only a slight shower needed.  
 Carrier took dinner with Mr. and Mrs. Will Behrens and family last Wednesday and inspected the new buildings going up on Eugene Philbrick's place. Gene has a good half section and he could not have got a better man on it than Will. I noticed one thing in a piece of breaking. He commenced at the bottom of the draw and threw it all down hill and in another draw there used to be heavy plum brush. He has cleaned it all out about eight inches below the surface so it will never bother again. So many just farm around such places. But in the last few years almost all farmers are cleaning up the unsightly corners that they have farmed around for years. This makes the country look better.  
 Memorial Day was well observed in the Wiggle Creek church and cemetery Sunday afternoon. Mr. A. L. Zimmerman gave the address, which was very good, and appreciated by
