Are You Efficient?

In these days of fierce competition, to succeed requires all our talents. Many an earnest, ambitious person falls short of complete success because of something that holds him back. Very often the cause is eye strain. You can be a better stenographer, salesman, mechanic, baker, housewife—if you will remove the handicap of eye strain. Eye strain can be removed—remember that. So that puts the matter squarely up to you, doesn't it? We are eye strain experts. Let us examine your eyes and supply glasses that will give you an equal chance with others. We have installed the dark room, which is an absolute necessity to do this fitting. We invite you to inspect our optical parlor. Eyes examined free of charge. Guaranteed glasses at reasonable prices—\$3.00 up. Kryptok—the efficient bi-focal. Everloct—The screwless mounting. Toric—the modern lens.

When truth is your guide you never leave the track. But Mexico, of course, has forgotten the lesson learned by Spain. The Michigan peach crop, they say, is never a failure. And, to be sure, neither are our feminine peaches. One-third of the employees of shoe factories in the United States are women. Of course they ought to vote.
