## Young Man, Read This

If a man locks his barn after the horse is stolen, well and good. He has learned a valuable lesson.

If, however, his bump of caution causes him to lock the barn as soon as he puts the horse in it, he exhibits a much keener sense of business acumen.

Is not our parallel clear? Before you meet with any losses or financial tangles protect yourself by "hooking up" with an established banking concern of proven reliability.

## Do You Expect to Own a Home of Your Own?

We have smooth, rich prairie land that grows good wheat, oats, corn and alfalfa that we can sell on a small cash payment and give you ten years' time to pay the balance. Why rent land when you can buy on these terms? If you are interested it will pay you well to investigate this at once.

## The Price, As Slim As The Suit

TO look at Adler's Collegian Clothes, you might think they are a little outside of your purse-range—but "appearances are deceitful." Just you take a look at their price-tag and you'll see that they are within your reach.

You were probably puzzled because there's more style, fabric and workmanship-value crowded into every suit or overcoat of

## ADLER'S Collegian Clothes

than into others at the price. It's a logical mistake.
