## Are You Efficient?

In these days of fierce competition, to succeed requires all our talents. Many an earnest, ambitious person falls short of complete success because of something that holds him back. Very often the cause is eye-strain. YOU can be a better stenographer, salesman, mechanic, baker, housewife—if you will remove the handicap of eye-strain. Eye-strain can be removed—remember that. So that puts the matter squarely up to you, doesn't it?

We are eye-strain EXPERTS. Let us examine your eyes and supply glasses that will give you an equal chance with others.

We have installed the dark room, which is an absolute necessity to do this fitting. We invite you to inspect our optical parlor. Eyes examined free of charge.

Guaranteed glasses at reasonable prices—\$3.00 up.

Every citizen of this town is interested directly in its welfare, for his own welfare depends upon the prosperity of the town. For that reason, if for no other, we should do as much as possible of our buying at home this winter and Christmas, and let the mail order houses bleed some other place. Let's keep our money in circulation at home this Christmas. Better still, let's keep it moving around here all of the time. We will make its acquaintance oftener ourselves.
