SCHOOL NOTES.

After our first football victory last Friday night, the gymnasium girls showed that they were a fast set when it comes to hurrying and arranging for an oyster stew to be given to the boys of the high school at the Presbyterian church that evening. The boys

and girls assembled about 8:30 and the evening was spent in games of different sorts and at a late hour the couples sat down to the stew. Mr. Bitner made the first toast to the team and Captain McLaughlin responded. Mr. Steen then made one and the hero of the night, Loyd Bulger, responded. Coach Davidson was called on and Evangeline Waite responded with a toast to the coach, a toast to the team, a toast to the year '16. Mr. Bitner then thanked the girls in behalf of the team for their kindness and enthusiasm and they departed.

In a fast and hard fought game of football, Loup City administered defeat to the North Loup team to the score of 13 to 7. The ball was always in North Loups territory and the North Loup team made their downs but three times during the game. Loup City lost the ball only once on down. In the first few minutes of play in the first quarter Bulger went over for a touchdown from a side line play. In the second quarter North Loup intercepted a Loup City forward pass and ran 30 yards for their touchdown. The only chance they had during the game to score. In the second half both teams came back strong and especially Wilkie for the home team. Time after time he tore up all their formation and off tackle plays that they had figured to score from. For North Loup their ends and backfield did good work. Loup City fought hard and altogether each man did good work at different times. Corning and Bulger lugged the pigskin for good gains and Long's works at running interference and plugging the line was good. The line work of the Loup City boys was the best it has ever been. Captain McLaughlin called few fake plays as they were not needed and his men outplayed North Loup in all departments of the game. Loup City plays Grand Island college here Election day, November 7th. No matter what your politics are we need you to see the boys win.

Those German submarines are getting entirely too frisky. It is quite unconsiderate of them to come snooping around chasing icicles up and down our official spine. Besides it is bad for our digestion, disastrous to our dignity, and a general nuisance all around. Go back and get under.

A Good Introduction Goes a Long Way—

GOOD CLOTHES are good introductions anywhere—in business and at social functions. A man's clothes form the measure of his personality among strangers. He is known by his clothes as by the company he keeps. An ill-fitting suit handicaps him as much as an introduction by a disreputable acquaintance.

COLLEGIAN CLOTHES

give you the same sort of introduction among strangers that an esteemed friend might. They inspire confidence, lend an ease of manner, and compel respect. They are cut on gentlemanly lines for gentlemen's wear. You can't go wrong with—COLLEGIAN.

L. G. LOFHOLM
