

# Our Christmas Greeting

That the New Year may bring you all that you deserve, more than you expect, and a little less than you want, and a desire to hustle like everything, after that a little less is the Christmas wish of Your friend,

## The First National Bank of Loup City, Nebraska

### A GREETING

To our many friends and customers we desire to extend the felicitations of the season, wishing for all a Merry Christmas and a profitable New Year.

Whatever of success we have enjoyed we can attribute to two causes: First, an earnest desire on our part to meet your every want in our line; second, upon your part a ready appreciation of our efforts and a generous and sustained support and patronage.

For your large share in our success we desire to thank you sincerely, and hoping our relations may ever remain as at present, I am,

Yours to Command,
