

THOUSANDS HAVE KIDNEY TROUBLE AND DON'T KNOW IT

Weak and unhealthy kidneys cause so much sickness and suffering...

Your other organs may need attention—but your kidneys should have attention first because their work is most important.

If you feel that your kidneys are the cause of your sickness or run down condition commence taking Dr. Kilmer's Swamp-Root...

Prevalency of Kidney Disease.

Most people do not realize the alarming increase and remarkable prevalence of kidney disease.

SPECIAL NOTE.—You may obtain a sample size bottle of Swamp-Root by enclosing ten cents to Dr. Kilmer & Co., Binghamton, N. Y.

Like A Boy at 50 Bubbling Over With Vitality—Taking Iron Did It

Doctor says Nuxated Iron is greatest of all strength builders—Often increases the strength and endurance of delicate, nervous folks 200 per cent. in two weeks time.

NEW YORK, N. Y.—Not long ago a man came to me who was nearly half a century old and asked me to give him a preliminary examination for life insurance.

day after meals for two weeks. Then test your strength again and see for yourself how much you have gained.

NOTE.—Nuxated Iron, recommended above by Dr. Sauer is not a patent medicine nor secret remedy...

Pointing a Distinction. "When you told me you would get me that office, I considered it a promise."

Drawing the Line. "Why don't you take up aviation instead of motoring?"

WINCHESTER

"LEADER" AND "REPEATER" SHOT SHELLS

For the high flyers, or the low flyers, "Leader" and "Repeater" shells have the reach, spread and penetration.

Canadian Farmers Profit From Wheat

Advertisement for 160-acre Western Canadian farms, including details about crop yields and government incentives.

Old Idea of Gulf Stream, Once Taught in Schools, Changed by Later Study

It is only by speaking loosely that the skippers of several incoming ships can say, as reported, that the presence of many sharks along the coast was due to a shifting of the Gulf stream.

zone it becomes heated and rises to flow northeast again. The Gulf of Mexico is like the coil of pipe in a gas water heater; it supplies intense heat in a small area and adequately tempers half the seas.

Poultry Pointers

Feed at regular hours and the fowls will always be ready and waiting for their last meal.

Put the windows in the poultry-house low near the floor, so that the hens will get the benefit of the light and sunshine when scratching for their feed.

Poet Had Right Idea.

Matthew Arnold, discussing the popularity of his own dog poems, said that while comparatively few loved poetry, nearly everyone loved dogs.

Emergence of Arabia as a Separate Nation Is Climax of a Century of Revolts

The sudden emergence of Arabia as a separate unit in the great war is a continuation of a series of revolts against Turkish control since 1818.

and sword, but is said never to have suffered from any serious epidemic. This seems the more remarkable because the city lies at the lowest level of a valley which must be a cesspool, and the sewage, having no outlet, percolates into the wells.

FAVORITE OF FILMDOM

Robert Edson, Former Star of the Spoken Drama, Now Shining in the Movie World.

to have a large pile of sand and gravel handy, where the fowls can help themselves.

Milk is a good feed for hens. Give all the milk they will consume. The hens will not only lay well, but will keep in a strong vigorous state of health.

Why Ammonia Cleans Clothes. Ammonia, the great spot remover of the American people, is really a gas dissolved in water.

More Than He Could Bear. "Fur ten years, mum, I wuz a glass eater wid a circus sideshow," said the frowzy applicant for breakfast.

One Man's View. She—Why is it that men always like the things that disagree with them?

Meteorites Are Valuable.

Specimens of meteorites command such a value that those which fall to the earth are generally broken up in order to maintain its value.

A Little of Everything

Rockland, Me., yearly produces 1,000,000 barrels of lime.

Meteorites Are Valuable.

Specimens of meteorites command such a value that those which fall to the earth are generally broken up in order to maintain its value.

Teaching Tricks to Birds.

A professor of natural history refutes the statement so frequently made that teaching a bird to draw water needs apparatus, and that the learning is cruelty to the bird.

Novelties of Trade.

The chewing gum habit has at last "caught on" in England, 20,000,000 packages having been chewed during September, with the demand growing.

Heredity.

"The football player who did such fine work is the son of a professional cook."

LIKE CLOCK-WORK!

(By N. B. COOK, M. D.)

The machinery of the body needs to be oiled, kept in good condition, just as the automobile or bicycle.

A pleasant vegetable pill is made up of May-apple, leaves of aloe, and jalap, made into a tiny pellet and coated with sugar.

War and Health.

The effect of war conditions upon the health of the poorer classes is noted by Dr. L. A. Davies, medical officer of Woolwich, England.

Preposterous Suggestion.

"John, aren't you going to get an overcoat for the winter?"

Two Kinds.

"We had shortcake for breakfast." "So had we. It was so short it got round."

A Mother's Burden

A mother who suffers kidney trouble, finds it hard to keep up her daily work.

A Nebraska Case

Mrs. Bert Currier, Lincoln, Neb., writes: "I suffered for a long time from kidney trouble through the small of my back."

Important to Mothers

Examine carefully every bottle of CASTORIA, that famous old remedy for infants and children, and see that it bears the Signature of Dr. J. C. Fletcherson.

Forbearance.

"How does the theory of evolution impress you?" "Well, I'm not so sure that I approve of it. I know some men I might suspect of having descended from an orang-outang. But why should I humiliate the orang-outang?"

More Than He Could Bear.

"Fur ten years, mum, I wuz a glass eater wid a circus sideshow," said the frowzy applicant for breakfast.

One Man's View.

She—Why is it that men always like the things that disagree with them?

A Little of Everything

Denver, Colo., has, it is believed, the largest American flag in the world. It is 137 feet long and 68 feet wide.

Meteorites Are Valuable.
