

# WHO GETS THE MONEY YOU EARN?

It isn't the money you make that counts, but what you SAVE.

When you spend all the money you make someone else gets it—not you and your family who are entitled to it.

You may want to buy a home, you will want money for many things you actually need; that "Rainy Day" will be sure to come and then, are you going to grow old and be penniless?

Don't do it. Start today.
