

THE BARGAIN STORE

FOR BARGAINS IN SPRING GOODS

"APRIL SHOWERS BRING MAY FLOWERS,"

and they also also bring the need of a reliable umbrella. You can get the right kind here, rain proof, fast color, with parigon ribs, warranted to withstand the blows of any wind except a cyclone; steel rod, tight roll, all this umbrella excellence at a moderate price. You can really afford to have an umbrella "at each end of the line" if you buy here. We have them from 50 cents up.

A New Suit or Dress Worn over a Pair of Shabby Shoes

is a combination that should be shunned by all people who desire to be well dressed. We advise all Sherman county men and women to avoid it by coming here this week and allowing us to fit them from our complete stock of elegant spring footwear. We promise to fit both your feet and your pocket book. You should not fail to call if you need shoes.

TREAT YOUR FEET RIGHT BY BUYING A SUPPLY

of new spring hoisery for them here. Ours is not only easy to buy, but easy to wear, and a comfort to your feet, because every pair is perfectly knit from excellent yarn, and free from seams, lumps or irritating wrinkles. This is the right kind of hoisery, and the only kind any one should wear, for it costs no more here than inferior hoisery does in many stores. They run as low in price as two pair for 25 cts.

There's hardly any apparel in which women

take more interest than millinery, and there is nothing we are better able to please them with. Our millinery department has been thronged all the week with enthusiastic customers who have told us our millinery offerings are certainly the best in town. We tell this not in a spirit boastfulness but as a statement of facts which will interest all women who hav'nt yet bought their spring hat.

Respectfully Yours, **A. E. CHASE.**

Remarkable Rescue
Mrs. Michael Curtain, Plainfield, Ill., makes the statement, that she caught cold, which settled on her lungs; she was treated for a month by her family physician, but grew worse. He told her she was a hopeless victim of consumption and that no medicine could cure her. Her doctor suggested Dr. King's New Discovery for Consumption; she bought a bottle and to her delight found herself benefited from first dose. She continued its use and after taking six bottles, found herself sound and well; now does her own housework, and is as well as she ever was.—Free trial bottles of this Great Discovery at Odendahl Bro's Drug Store. Only 50 cents and \$1.00, every bottle guaranteed.
