The trial of the "Rotary Dutchman" plow last Saturday, now being introduced in this country by Mr. E. S. Hayhurst, was an entire success and clearly demonstrated the fact that a decided improvement in the old mold-board plow had been made. The large concave disc that does the plowing rolls with precision faster or slower just as the team moves, and thereby does away with the friction caused by the stationary mold-board, and consequently makes a very light draft. The trial showed that the 20 inch disc will cut a 16 inch furrow 9 inches deep, and not worry three horses as much as it will to cut a 14 inch furrow 6 inches deep with the old style. There is no doubt but that this plow will revolutionize the mode of turning over the soil, as it clearly demonstrated its superiority at the trial.

MARRIED.

We are pleased to announce this week the marriage of Mr. William C. Dunker to Miss Mamie Ojendyk, both of Ashton, Nebraska. They were married at high noon on Sunday, April 23, at the home of the Brides parents, Rev. Aug. Jennrichs, local pastor of the German Evangelical church officiating. They are two of Sherman county's highly accomplished and worthy young people. Mr. Dunker is at present deputy post master at Ashton. The wedding is reported to have been a very pleasant affair. Quite a number of the relatives and friends were present and the usual festivities were indulged in. On the following day Mr. Ojendyk, father of the bride, received congratulations for the young couple by cable from his brother-in-law, Mr. Pellwessel, of Hamburg Germany.

The happy couple start out in life with the best wishes of all and the NORTHWESTERN joins the long list in wishing them a set of prosperity and happiness.

Since the above was written we received the following account of the marriage from our Ashton reporter:

DUNKER—OJENDYK—On Sunday April 23, 1899, at high noon, at the home of the brides parents, Mr. William C. Dunker and Miss Mamie Ojendyk, both of Ashton, Nebraska, were united in the holy bonds of wedlock by Rev. A. Jennrich.

The bride and groom were accompanied to the hymenial altar by Miss Ottilie Jennrich as brides maid and Mr. Henry Ojendyk as best man.

The brides costume was a pale lavender, trimmed in white silk and pearls, and she carried a huge bouquet of brides roses, carnations, lilies and ferns. The groom wore a suit of English broadcloth of the conventional black.

The ceremony was performed in the presence of only the two families and a very few friends. After the ceremony was performed all partook of a sumptuous dinner prepared in honor of the occasion.

Both of the young people are well known to all of our citizens.

The groom is a fine young man who at present is deputy post master, while the bride is an accomplished young lady, the daughter of our enterprising lumber dealer.

They will begin house keeping at once in the house recently vacated by Dr. Kunze.

The groom wishes to acknowledge receipt of an elegant lamp from W. M. Snelser in settlement of a wager made in 1895, as to which would wed first.
