W. H. WILLIAMS, Republican Com-  
mitteeman for Loup City Township

It is all right as long as a fellow  
is hunting the tiger but when the  
tiger begins to hunt him the fun  
ceases.

Governor Holcomb drew from the  
house rent fund during his encum-  
berency, \$773 more than his rent bill  
amounted to. The question arises  
was it any less a theft than was  
Bartley's

Populists stop and ask yourselves  
how you like to support a party  
whose officers seek to change the  
constitution of our state by re-mark-  
ing the ballots you cast so as to pro-  
vide two officers with fat salaries.

If a party will deliberately try to  
destroy the intent and terms of our  
magna charta, or bill of rights, as  
laid down by the people, can a man  
who loves the liberty and freedom  
of this government support them.

It is now claimed by the Philadel-  
phia Record, that Adam and Eve  
together ate 8,124,240 apples, and  
the question is mathematically pro-  
ven. But it is morally certain to a  
man up a tree, that the editor of  
that paper must have consumed the  
living portion of the fruit.

A certain populist officer was told  
by some of his party that it was not  
proper for one already holding  
office, to be a candidate for another  
office. The answer from his populist  
brother was to the effect that it didn't  
look very well for him to establish  
that precedent now because, Holcomb  
was on the Judicial bench when he  
was nominated and elected governor,  
and Allen was also a district Judge  
when he was made U. S. Senator, and  
that Greene too, occupied the same  
position when he was chosen for congress.

Lucien Stebbins of North Platte,  
has called a state convention to meet  
in Omaha, on the same day that the  
three fusion conventions meets. Mr.  
Stebbins is the chairman of the Peo-  
ples Party Organization Committee,  
and as such has called the middle of  
the road fellows to meet, also has

called a convention of the Simon pure  
M. R. P's to meet at Lexington, on  
Aug. 18, to nominate a candidate for  
congress for the sixth district. Mr.  
Stebbins says pops have been filling  
for democratic stomachs about long  
enough and hereafter they shall act  
as a cathartic.

The Seratorial committee appoint-  
ed to investigate the state officials  
and their act and the acts of the  
committee appointed by the populist  
legislature of 1897, to investigate  
the "frauds" as alleged by that party  
when the amendment to the state  
constitution relating to supreme  
judges was defeated, have completed  
its work and endeavored to file their  
findings with the governor, but that  
dignitary had left instructions when  
he went to San Francisco, to meet  
the First regiment, not to receive any  
report from the committee, and his  
instructions were carried out by the  
lieutenant governor, in as much as  
he refused to recognize the committee  
or their report, but allowed a clerk  
to place it in a safe stating that  
"they would protect it from the ele-  
ments." This report is so damaging  
to our present officials including ex-  
governor Holcomb, and it is so  
thoroughly corroborated by unim-  
peachable evidence that Governor  
Poynter will find it up hill business  
to disregard it. It proves even from  
the ballots themselves that the fraud  
was committed as charged, and that  
the populists in charge of the state  
government deliberately and with  
premeditation would have changed  
the constitution of the state in direct  
opposition to the votes as cast, had  
not an injunction from the courts  
stopped them, Hall county alone  
having been changed so that the  
vote as counted for the amendment  
by these robbers of our common  
rights showed 800 more than the  
votes cast entirely, and the vote of  
Sherman county showed that nearly  
two hundred had been marked. These  
things may be squelched by the fu-  
sionists as long as they are in power  
but the day of reckoning will come,  
and the rottenner they get the sooner  
it will catch them.

The charges as now made by the  
senatorial investigating committee,  
and against the alleged frauds as  
perpetrated by the populist investi-  
gating committee of 1897, when they  
were endeavoring to count in the  
two extra supreme judges, affects  
Sherman county outside of the fraud-  
ulent marking of her ballots to the  
extent of attacking the character of  
her ex-senator Mr. J. W. Heapy, as  
he was a member of that committee  
and could not reasonably be igno-  
rant of what was being done. Mr.  
Heapy is a man whose reputation for  
truth and veracity has never been  
questioned in this county. A state-  
ment of facts as he believes them  
would be gladly received by the  
voters of this county.

## CLEAR CASE OF FRAUD.

Continued from first page.

state can be changed by the public off-  
icers of the state, or even by others,  
when it is their duty to see that no such  
change takes place, in a manner differ-  
ent from that prescribed for a change in  
such law, then indeed are the liberties  
of the citizens of our commonwealth in  
danger. He who may steal our money  
takes that which by industry and econ-  
omy we may again obtain, but he who  
changes the law upon which our rights  
and liberties rest in the one respect  
may change it in another, until that  
which was the most liberal of republican  
governments becomes the most despot-  
ic. This matter deserves from you,  
sir, the most careful consideration and  
the power given to you by virtue of  
your office should be exercised to dis-  
cover the guilty party and to see that  
swift punishment is visited upon them.

**HOLCOMB'S HOUSE RENT.**  
The twenty-fourth session of the  
Nebraska legislature appropriated  
\$1,500 for house rent for the governor.  
The same amount and for the same  
purpose was appropriated by the twenty-  
fifth legislature. Complaint having  
been made that this sum had been mis-  
appropriated. From sworn evidence  
we find that \$773.20 of the amount  
set apart for the payment of house rent  
has been appropriated by Governor  
Holcomb, and your committee would  
recommend that your excellency refer  
this matter to the attorney general with  
instruction to take such steps as may be  
necessary to recover from Mr. Holcomb  
the amount thus misappropriated.

### SCHOOL LAND DEAL.

While at the city of York, the atten-  
tion of the committee was called to the  
leasing of school lands in that county.  
And from testimony taken it appears  
that one Jacob Welch some years ago  
purchased a piece of school land from  
the state. Owing to droughts he had  
been unable to make his payments,  
Land Commissioner Wolfe cancelled  
his contract and offered this land to-  
gether with another piece held by H. B.  
Gue, who was delinquent in his rent, at  
public sale. The night before the sale,  
Mr. Wolf and Fred A. Archer, an em-  
ploye in the state auditors office, came  
to York, and attended the sale. Both  
pieces was leased to Mr. Archer, and  
after the contracts were made out to  
Archer he assigned back to Mr. Gue  
for \$15, but Mr. Welch was not quite  
so fortunate, for he was compelled to  
pay to Archer \$25 for an assignment,  
no part of which ever reached the state  
treasury. No personal notice was ever  
given to either of these men before the  
sale. The evidence discloses that these  
lands were appraised at about one-third  
of their actual value.

We submit to your excellency this re-  
port, confident that we have not drawn  
conclusions unwarranted by the evi-  
dence. To you, sir, and to the impar-  
tial judgment of the people of this state,  
we leave the question of whether or not  
the conduct of these public servants has  
been in the interest of honest and en-  
lightened government. Most respect-  
fully submitted,

F. N. PROUT,  
JAMES H. VAN DUZEN,  
JACOB ROCKE,  
Committee.
