

# WIND WAS TOO STRONG

The Shamrock's Topmast Was Unable to Endure the Heavy Strain.

## COLLAPSES SOON AFTER START

Green Yacht at Once Abandons Contest and Returns to Mooring—Columbia Had But to Sail the Race in the Time Limit to Win Second Race of Series—The Start a Most Magnificent One.

NEW YORK, Oct. 18.—The topmast of the cup challenger Shamrock was carried away twenty-five minutes after the big single sticker had crossed the starting line today and its enormous chubsal, with its 3,000 feet of canvas, came rattling down on the deck, leaving it a helpless cripple. No amount of pluck or courage could face such a catastrophe and Shamrock abandoned the race, towing back to the anchorage after the wreckage had been cleared.

Columbia continued over the course alone, placing to its credit the second of the races for the America's cup. The accident to Shamrock ruined the race and caused the keenest regret among the yachtsmen and the thousands of sightseers who were on hand to witness what had promised to be a glorious duel.

It is unfortunate that the defender should have been the beneficiary of an accident, as there is little glory in beating a cripple, but the rule is iron-clad. If crippled before the start time is allowed for repairs, but once over the line, if anything carries away, the sufferer must make such repairs as he can, or if rendered hors de combat, as Shamrock was today, he must take the consequences. There are good sense and logic behind the rule. The races are a test of construction as well as design and seamanship. Doubtless, if Mr. Iselin could have had his choice in the matter, he generously would have declined to continue in view of the crippled condition of his rival, but the rules gave him no alternative. He was in duty bound to go on, and as he finished well within the time limit the race was his.

## STAYS WITH COMRADE.

Iowa Soldier's Fidelity Shown in Touching Way.

DES MOINES, Ia., Oct. 18.—Ben Willis, a member of Company H, Fifty-first Iowa, is not on the transport Senator, which is bringing the Iowa regiment home. He remained in the Philippines to search for Fred Bowdewyne, a member of the same company, who is believed to be in the hands of the natives.

Soon after the Iowans landed at Cavite a small scouting party was sent out, of which Bowdewyne was a member. The party was attacked by a greatly superior force Bowdewyne fell. When reinforcements arrived, a search was made for his body, but it had disappeared. He was reported killed, but later his comrades received information from amiguo women that he was wounded and captured. Willis and Bowdewyne had been schoolboy chums and when the regiment left Des Moines Willis promised Bowdewyne's mother he would look after Fred and he proposes to fulfill his promise.

These scrip holders are looking up the best land and plastering it with their forestry scrip for which they have paid \$2 to \$3 an acre. As pine land is worth at least \$20 an acre, the size of the profit is apparent.

## NEWS FROM THE FRONT.

Rumors that the Boers Have Been Repulsed.

LONDON, Oct. 17.—Dispatches from the Cape are very meagre tonight, but they include an important message from Glencoe camp dated 3:35 this (Monday) afternoon, announcing that the Boer commands which invaded Natal, and after occupying Newcastle, advanced to Dannhauser, retraced in Ingapore yesterday evening, their transport service being reported defective. This will delay indefinitely the hoped for assault on the strong British position at Glencoe.

Another dispatch reports activity on the part of the Free State commands in the neighborhood of Allwalnorth, on the southern frontier. It is believed the enemy intends to shortly rush the railways station, with the aid of artillery posted on a commanding ridge.

There are rumors that the Boers have been repulsed at Mafeking and are attacking Vryburg.

A Capetown paper has a dispatch from the Orange river stating that the telegraph wires have been cut between Vryburg and Kimberley, and it is expected the Boers are taking advantage of a large gathering of disloyal farmers at Vryburg, celebrating the Nachtmaal, to attack the town, hoping that the farmers will assist them against the British. The same dispatch says the Boer force at Kimberley is confident of its ability to hold out, but urges the immediate dispatch of a relief force.

This question of a possible rising of the Dutch farmers in the northern parts of Cape Colony is very important. The Daily Mail's correspondent at Colesburg has been inquiring regarding the matter and on the whole thinks the chances are against a rising. He bases his opinion on the prospect of good crops after four lean years, which he believes will predispose the farmers to peace. Nevertheless there is serious disloyalty and much anti-British agitation in these districts, while the Free State Boers threaten an immediate invasion of Colesburg.

The First Washington regiment will be mustered out October 31, and will leave immediately for home.

# A BISHOP CONSECRATED

Notable Event Takes Place in Trinity Cathedral, Omaha.

## DISTINGUISHED COMPANY PRESENT

Supreme Court Decides in Favor of Ex-Superintendent Abbott in His Suit Against the State—Grand Island Beet Sugar Company Voluntarily Increases Wages of Employees.

**Consecration of a Bishop.**  
OMAHA, Neb., Oct. 20.—Trinity Cathedral was crowded with a notable audience assembled to witness the consecration of Rev. Arthur Llewellyn Williams, bishop-coadjutor of the diocese of Nebraska. All the pews were taken early in the morning, an hour or more before the beginning of the lengthy services, and at 10 o'clock when the ceremonies opened, there was scarcely standing room.

It was a representative audience of prominent Omaha people with a distinguished aggregation of visiting clergy. The ceremonies were impressive and grand.

A striking feature of the opening ceremonies was a procession of the clergy and others, which formed in Gardner Memorial parish house, and marched up the center aisle of the cathedral, acting under the direction of the master of ceremonies. In addition to the clergy were members of the choir, cross bearers, lay officers of the diocese of Nebraska, lay officers of the sanctuary, the introit, Psalm cxli, was sung.

At the Rev. George Worthington, S. T. D., LL. D., bishop of Nebraska, was the presiding bishop and consecrator. The co-consecrators were Rt. Rev. John Francis Spalding, D. D., bishop of Colorado, and Rt. Rev. Theodor Nevin Morrison, D. D., bishop of Iowa. Rev. Mr. Morrison served as substitute for Rt. Rev. William Edward McLaughlin, D. D., D. C. L., bishop of Chicago, who was unable to attend on account of illness. Rev. Mr. McLaughlin had been mentioned on the program as consecrator, and in his absence Rev. Mr. Morrison delivered the official sermon. Then came one of the impressive features of the consecration. The bishop-elect appeared and promised conformity to his obligation, using the following form:

"In the name of God, Amen. I, Arthur Llewellyn Williams, chosen bishop coadjutor of the Protestant Episcopal church in the diocese of Nebraska, do promise conformity and obedience to the doctrine, discipline and worship of the Protestant Episcopal church in the United States of America. So help me God, through Jesus Christ."

From this there should be deducted 105 for withdrawals, deceased, expelled, etc., which leaves an increase of \$3,111.15; current expenses, \$1,757.83; paid for relief, \$25; total paid for relief, \$440.35; number of patriots relieved, 33; number of weeks' benefit paid, 145; amount of subordinates, \$12,345.64.

The grand encampment receipts were \$452.77; expenses for the year, \$452.70, leaving a balance of 7 cents.

## Decides for Abbott.

LINCOLN, Neb., Oct. 20.—The supreme court decided in favor of ex-Superintendent L. J. Abbott of the State Asylum for the insane in his suit against the state for \$1,000, which amount he claimed was due under an appropriation by the legislature. The salary bill as passed by the legislature of 1897 provided for a salary of \$2,000 per year, but the bill signed by the governor provided for a salary of \$2,500. Several other claims similar to the one of Dr. Abbott have been filed with the auditor and, according to the decision of the supreme court in the case decided, they will probably be paid.

## Voluntary Increase.

GRAND ISLAND, Neb., Oct. 20.—The American Beet Sugar company raised wages 15 per cent on an average. The lowest paid laborer now receives \$1.80 per day, with corresponding increase to skilled workmen. The order applies to the Norfolk as well as the Grand Island factory. The action is entirely voluntary on the part of the company and is a pleasant surprise to the employees. Two hundred employees are working here and about the same number at Norfolk.

## Tramp's Revenge.

EXETER, Neb., Oct. 20.—Robert Krause, a German farmer, living six miles southeast of this town, lost his barn, horses and harness by fire. He was awakened by the popping of the frantic horses, but the fire was under such headway that nothing could be saved. The fire is thought to have been started by a tramp to whom shelter was refused.

## Jail Breaking at Broken Bow.

BROKEN BOW, Neb., Oct. 20.—William Miller, the Meria postoffice burglar, and Bert Olson, a young man of this place, who was waiting trial on the charge of stealing a suit of clothes, broke jail at this place and so far have made good their escape.

They stole a horse and buggy with which they left town. It is thought Olson, who was left outside of the steel cage, broke the lock on Miller's cell door and by cutting a hole through a brick portion wall, they entered the coal bin and escaped through a window opening.

## How Ray Was Run Down.

BROWNVILLE, Neb., Oct. 22.—Theodore Cheesman of Fairport, Mo., to whose efforts is due the capture of George Ray, the slayer of Frank Cheesman, Theodore's brother, was in town and told of his successful search for the murderer. Theodore Cheesman said at the death of his brother that he would capture Ray or spend a life time in the attempt, and naturally he was well pleased over the outcome of his efforts.

Ray was betrayed by Mrs. Minnie Cheesman, Frank's widow, and Ray's paramour. After Cheesman's funeral Mrs. Cheesman went to Nebraska City, where she remained a short time, and then went to Victor, Colo., and afterward to Cripple Creek, Colo., where, it is alleged, she soon married again, but lived with her husband but a short time. During the summer Theodore Cheesman went to Cripple Creek, and spent a month watching the actions of Mrs. Cheesman. Before leaving he hired a detective to look after her. This man succeeded in ingratiating himself in the feeble affections of the woman, and in a moment of confidence she showed him a letter from Ray, signed "J. P. Keegan," the name assumed by Ray. The letter was written from Illinois, but when the detective searched there he had left. "J. P. Keegan" was traced to northwest Iowa and arrested. He readily acknowledged his identity and agreed to return to Nebraska without a requisition from the governor. The feeling against Ray is bitter in this community, as Cheesman was a good citizen, respected by all, and pitied by many for his infatuation for his faithless wife.

## Norfolk College Burns.

NORFOLK, Neb., Oct. 21.—Fire totally destroyed the college building belonging to the Norfolk College association. The loss is about \$4,000, insured for \$2,000 in the North American and Connecticut Fire Insurance companies. The building was originally built and used for a hotel and was known first as the Tillenburg and later as the Reno. Four years ago it was partially burned and was purchased by the college people and moved out a mile and repaired. A year ago the college closed its doors, and since then the building has been occupied by families.

## Honors for Returned Soldiers.

YORK, Neb., Oct. 21.—The fire department gave a very pleasant reception and dance in honor of Sergeant Frank Baker, late of Company A, First Nebraska regiment, at the City Hall Monday evening. ## Young Farmer Crushed.

PERU, Neb., Oct. 21.—John Keuser, a young farmer living about one mile southeast of Peru, received injuries while gathering corn which may result in his death. ## Where is Tannehill.

COLUMBUS, Neb., Oct. 19.—It is now ten days since John Tannehill left this city to avoid arrest on the charge of forging notes to the amount of over \$1,600. Not the slightest trace of him has been found, which has led to all sorts of rumors concerning his whereabouts. All of them, however, are supported by no facts, and where Tannehill remains as deep a mystery as ever.

## Taxpayers Object to the Expense.

NEBRASKA CITY, Neb., Oct. 22.—There is much complaint among the taxpayers in the matter of appealing the Watson case and entailing more expense to the county. County Attorney Wilson says he has no desire to appeal the case if contrary to the wishes of the people and the step already taken is only preliminary, so that the law points can be taken up. He will at a later date decide whether to take the case to the supreme court.

The experiment has been quite successful.

His home is twenty miles northeast of Atkinson, where his parents are now living, and they were promptly notified. Every possible effort is being made to locate the youth by telegraph and otherwise.

## Enjoins State Board.

LINCOLN, Neb., Oct. 19.—The supreme court has granted a temporary injunction restraining the board of transportation from proceeding with the hearing of the complaint of John O. Yeiser against the Nebraska Telephone company. The application was made for the injunction by W. W. Morsman, attorney for the telephone company.

In the petition filed by Attorney Morsman he sets out the history of the case. The complaint against the telephone rates was filed by Yeiser with the board of secretaries of the board of transportation. The board proceeded under the act of 1897, which gave it authority to fix and regulate rates as well as of express companies. The telephone company went into the courts with its contention in opposition to this position of the board, and also set up the unconstitutionality of the act creating the board. This case went through the district court, if having been brought up by the company. This decision of the supreme court was against the telephone company.

Soon after the supreme court decision the board of secretaries, under direction of the board of transportation, informed Yeiser that it was ready to take up the hearing of his case. This date for continuing the hearing, which had been interrupted by the court proceedings, was set for October 19. When the telephone company went into court at first it asked for an injunction to restrain the board from attempting to interfere with its rates and management.

## Nebraska Stockmen Buying Sheep.

SOUTH OMAHA, Oct. 19.—The Denver Stockman has this to say of sheep feeding conditions in Nebraska: "The big Nebraska feeders are getting down to business. They have concluded that prices on southern lambs are not too high when the cheap corn is considered. They are going after the lambs now and buying them by train loads. Another conclusion has been reached, and which is in the main responsible for the heavy buying going on now, not only in the south, but in the west as well. The beef supply available next spring does not figure out as going to be as great as the demand, consequently there is a great likelihood that beef will be high. To counteract this high market and to supply such consumers as will not find themselves able to buy the high-priced beef all the time there is a strong possibility that much mutton will be consumed, and these sheep buyers are getting ready for such demand."

The latest purchase of forty carloads of New Mexico lambs and yearling wethers by a big Nebraska feeder at a cost of \$2.30 per head at point of loading is a price that cannot help but render a handsome profit when marketing time comes.

## Child Dies to Save Sister.

GENEVA, Neb., Oct. 19.—The 8-year-old daughter of Jacob Hofferber, living west of the railroad tracks, attempted to kindle a fire with kerosene, resulting in the probable loss of two lives. The oil in the can exploded, setting fire to the child's clothing, and also to that of a little 2-year-old girl and a boy of 11, who were in the room. The latter at once rushed out giving the alarm. The mother was working some distance from the house at the time. The two girls were terribly burned and the elder did not survive the night. The boy's burns are also severe and he is not expected to recover.

The elder girl might have escaped almost without injury, but turned back after leaving the house to rescue her sister. She managed to save the terrified child, but herself received fatal injuries.

## Grand Lodge of Odd Fellows.

HASTINGS, Neb., Oct. 19.—The annual state meeting of the grand lodge of the Independent Order of Odd Fellows and the Rebekah assembly opened here with a combined attendance of over 300. AUBURN, Neb., Oct. 19.—Sheriff Cole received a telegram from a town in northwestern Iowa notifying him of the arrest of George Ray, who last December killed Frank Cheesman of Brownville, this county. Ray admitted his identity, and offered to return without a requisition. The sheriff has gone for him. Several hundred dollars in rewards have been offered for his capture.

Answering objections to a mother's fitness to have the custody of her children, said as to the fact that she was untidy: "There are persons who think that excessive housecleaning ought to be made a ground for divorce." As to her visits to beer gardens he said: "Women have throats which become thirsty as well as the throats of men, and there is no law to prevent them from slaking their thirst in a natural and ordinary way." In order to give her some moral support, he added: "It is said of Martin Luther that he visited the beer gardens."
