General Joe. Wheeler, who has been in Luzon for some time, says that congress should pass a resolution annexing the Philippine Islands the first day they set, which he claims would stop the carnage now existing. Gen. Wheeler is a democrat who loves the starry banner, and one whose word can be taken as a patriot and a statesman. He fought the union hard during the rebellion, when he believed he was right, but to day he turns his back to the copperhead who seeks to disgrace the old flag, and in thunder tones, says, "my country whither right or wrong, my country." Such democrats as Wheeler and Fitzhugh Lee, are an honor to the party and will contribute their influence to defeat a man who will do his utmost to ratify a treaty as did Mr. Bryan with the treaty of Paris, and then make a campaign against the very object for which the treaty was made.

A SURE CURE FOR CROUP.

Twenty-five Years' Constant Use without a Failure.

The first indication of croup is hoarseness, and in a child subject to that disease it may be taken as a sure sign of the approach of an attack. Following this hoarseness is a peculiar rough cough. If Chamberlain's Cough Remedy is given as soon as the child becomes hoarse, or even after the croup appears, it will prevent the attack. It is used in many thousands of homes in this broad land and never disappoints the anxious mothers. We have yet to learn of a single instance in which it has not proved effectual. No other preparation can show such a record—twenty-five years' constant use without a failure. For sale by Odendahl Bros. druggist.

Thousands Have Kidney Trouble and Don't Know it.

How To Find Out. Fill a bottle or common glass with your water and let it stand twenty-four hours; a sediment or settling indicates an unhealthy condition of the kidneys; if it stains your linen it is evidence of kidney trouble; too frequent desire to pass it or pain in the back is also convincing proof that the kidneys and bladder are out of order.

What to Do. There is comfort in the knowledge so often expressed, that Dr. Kilmer's Swamp-Root, the great kidney remedy fulfills every wish in curing rheumatism, pain in the back, kidney, liver, bladder and every part of the urinary passage. It corrects inability to hold water and scalding pain in passing it, or bad effects following use of liquor, wine or beer, and overcomes that unpleasant necessity of being compelled to go often during the day, and to get up many times during the night. The mild and the extraordinary effect of Swamp-Root is soon realized. It stands the highest for its wonderful cures of the most distressing cases. If you need a medicine you should have the best. Sold by druggists in 50c. and \$1. sizes.

You may have a sample bottle of this wonderful discovery and a book that tells more about it, both sent absolutely free by mail, address Dr. Kilmer & Co., Binghamton, N. Y. When writing mention reading this generous offer in this paper.
