You're Gambling!
It's too risky, this gambling with your cough. You take the chance of its wearing off. Don't!
The first thing you know it will be down deep in your lungs and the game's lost. Take some of Ayer's Cherry Pectoral and stop the gambling and the cough.
"I was given up to die with quick consumption. I ran down from 135 to 95 pounds. I raised blood, and never expected to get off my bed alive. I then read of Ayer's Cherry Pectoral and began its use. I commenced to improve at once. I am now back to my old weight and in the best of health."—CHAS. E. HARTMAN, Gibbstown, N. Y., March 3, 1899.

You can now get Ayer's Cherry Pectoral in a 25 cent size, just right for an ordinary cold. The 50 cent size is better for bronchitis, croup, whooping-cough, asthma, and the grip. The dollar size is best to keep on hand, and is most economical for long-standing cases.

SOUTH OMAHA LIVE STOCK.
SOUTH OMAHA, Dec. 11.—CATTLE.—Stocks and feeders were in very moderate supply and no great activity was present. Good kinds could safely be reported as steady. ROUTED WITH SEVERE LOSS.

Otis Cables the Uprising in Negros is a Small Affair.
WASHINGTON, Dec. 11.—The war department here received the following from General Otis:
"MANILA, Dec. 9.—Dispatch from Young at Vigan yesterday says escaped Spanish prisoners report four hours' engagement on 2d inst. between his troops and Aguinaldo's guard near Cervantes, fifty miles southeast of Vigan, with heavy loss to enemy, who is being pursued. Our loss, one killed, one wounded. Inhabitants of their own accord join the troops in repairing the trail and carrying subsistence. Have pushed column to San Jose, south of Bangued. Howe's column on rear trail; Bachelor's battalion, Twenty-fourth, out of reach north of Bayombong, evidently descending river. Natives report fighting occurred twenty miles north. Navy reaches Aparri tomorrow; column of MacArthur's troops, Twenty-fifth infantry, reported near Iba, west coast, Zamboanga; Grant's column near Subig bay; Lawton in Bulacan province today with sufficient troops to overcome opposition and scatter enemy."
It is probable that the troops which engaged Aguinaldo's guard are Hare's command, as he was reported to be close in the insurgent leader's rear.
General Otis also cables as follows regarding the revolt in Negros:
"Information received that Negros revolt of minor importance; Byrnes in rapid pursuit of disaffected party; Hughes in mountains Pannay enroute to Capiz."

Wannamaker on Big Stores.
WASHINGTON, Dec. 11.—John Wannamaker testified before the Industrial commission on the subject of department stores. He asserted these stores were beneficial to society, having a substantial economic and moral basis for their existence.
"It is," he continued, "a natural product evolved from the conditions that exist as a result of fixed trade laws. Cheaper capital, better transportation, more rapid communication, make the modern retail store possible, natural and useful, therefore, inevitable. Economy in the expenditure of money, time and effort measure department store success. Just in proportion as these ends are reached is it popular, powerful and prosperous."

Gossip About Union Pacific.
NEW YORK, Dec. 11.—The Times says: Following the arrival here of President Burt of the Union Pacific company, a conference was held on the part of the Union Pacific and Oregon Navigation officials. It was rumored that a readjustment of Oregon Navigation affairs is contemplated, but nothing definite on the subject can be learned. At the office of the company it was said that purely routine affairs were discussed at the meeting.
In connection with President Burt's visit it is said that the annual report of the Union Pacific will be forthcoming in a few days and will show over 4 1/2 per cent earned on the common stock.

Fire in Washington.
WASHINGTON, Dec. 11.—Fire totally destroyed the Welling mansion at Fourteenth street and Welling Place, occupied by Dr. L. H. French. The loss on the residence is \$50,000 and on the contents about \$50,000. In his efforts to save the female servants Dr. French was somewhat burned.

Annual Seed Distribution.
WASHINGTON, Dec. 11.—The Department of Agriculture will begin its distribution of seeds a little earlier this year than last, shipping them south the beginning of January.

Charles Curtis, of Topoka, a republican leader of Kansas, is nicknamed the "Indian congressman," because, though of New England descent on his father's side, his mother was a direct descendant of Louis Gonyil, a chief of the Kansas Indians. He began life as a bootblack and read law by night.

Beware of Ointments for Catarrh That Contain Mercury.

Headache
Sick headaches! Always trace them to a lazy liver or a sick stomach. Poisonous matter, instead of being thrown out, is reabsorbed into the blood. When this poison reaches the delicate brain tissue it causes congestion and that dull, awful, throbbing, sickening pain. CASCARETS remove the cause by stimulating the liver, making the poison move on and out, and purifying the blood. The effect is almost instantaneous. Ladies, whose sensitive organisms are especially prone to sick headaches, do not suffer, but find relief in CASCARETS Candy Cathartic.

Not Old Zach's Grandson.
Letters from Southern members of the Taylor family indicate pretty surely that Lieutenant C. C. Wood of the North Lancashire British regiment, who was recently killed at Kimberley, South Africa, was a great-grandson of President Zachary Taylor, but not a grandson of Jefferson Davis. Jefferson Davis married General Taylor's daughter, Sarah. Dr. C. Wood married General Taylor's daughter, Ann M., and the late Lieutenant C. C. Wood was their grandson, his father having been Lieutenant Wood, of the Confederate navy.

READ WHAT A PROMINENT PHYSICIAN Has to say who has had 35 YEARS of active Practice of Medicine:
I have never before in my 35 years of practice of medicine given my testimonial of recommendation to any patent medicine, but there is a remedy, the result of which has come under my own observation for there is no disease which has so baffled the medical skill of all ages as Rheumatism and to find a Reliable remedy for the same. At last we have found it in "S DRUGS," a medicine manufactured by the Swanson Rheumatic Cure Company, Chicago, Ill. The "S DRUGS," has proven itself wonderful for its curative power in Rheumatism, not as a Temporary Reliever only, but to give a Permanent Cure even in chronic cases. Sometime ago, I had among others several Rheumatic cases under my treatment and prescribed for these patients the very best Remedies which I skillfully selected, but without desirable results. I then heard of "S DRUGS," and of its Wonderful Cures, and prescribed it to a few patients who found relief from its use within a few days. After that I prescribed it to a great number and to my surprise, I will say that in the course of Two or Three Weeks after they had used "S DRUGS," and "S Drop" Plasters they were cured. Among these were a few who had, for a number of years, been suffering with Chronic Rheumatism, who had piloted themselves around on Crutches. They came to my office without Crutches and told me they were perfectly Well. They give all the credit to "S DRUGS" and to "S Drop" Plasters and this is their testimony to the Swanson Rheumatic Cure Company for their kindness and for the conscientious way in which they are placing these Wonderful Remedies before suffering humanity, which they told me to write to the Company as an acknowledgement. As I have seen the Curative Power of "S DRUGS" and "S Drop" Plasters, in a great many instances, I can Truly recommend them and also that the firm is perfectly honest and reliable in all its dealings.
