An editor prints his paper to give his patrons the news of the day and for the money there is in it. He is presumed to know of what he writes and he generally does. When he writes as he does in the Leader Courier, Osceola, Mo., Pa., without fear or hope of reward, that "Chamberlain's Cough Remedy acts magically, and we have found none better in our household. If you have a cough try it," it may be accepted as an honest expression, worthy of credence. For sale by Odendahl Bros.
