A NIGHT OF MISERY.

RIDING IN A LOCKED BOX CAR WITH TWO SCARED MULES.

An Experience Which, According to the Victim, Made Sherman's Definition of War Seem Like the Description of a Sunday School Picnic.

"Well," said the Footprint to Slug | Work. Seven as he settled down on his stool and began to throw in a handful of type, "if I didn't have a time of it getting down here out of those moun-

"Been up in the mines?" inquired Slug Seven.

"Yep," replied the Footprint. "Just came out. Footed it from Angels to Milton yesterday and rode into Stockton on a side door sleeper last night. A side door sleeper," continued the Footprint, "is not the most comfortable mode of traveling. Personally I prefer of his claim, and that said proof will to ride on a red cushion, but the heartless and exorbitant demand of the railroad trust for spot cash compelled me to walk or come as freight. I came as freight."

"Sure," said Slug Seven. "The unpleasant feature of the trip," continued the Footprint, "was the base his continuous residence upon and cultibetrayal of confidence on the part of vation of, said land, viz: the brakeman with whom I negotiated William Quinn, for an undisturbed passage. For a cash | Herman Wilke, consideration of six bits and a drink of Chils Butler liquor he verbally contracted to waybill me from Milton to the division end at Stockton. We went up street to take the drink and-well, you know how one word brings on another. By train time the \$4 I had sunk in my jeans had been fished to the surface and sent across the

bar for red liquor. "The brakeman was full when he started for the yards. So was I when I started after him. The brakeman conrounding at least a quart of Milton whisky and if it was all the same to him and he had a nice, dry, empty box car I would be shipped as an unbroken and locked it. After a bit I struck a Odendahl Bros. match to look about and what do you suppose that cuss had done?"

"Give it up," said Slug Seven. good to keep company to the division end. What was that Sherman said about war? Said it was hades, didn't tion. The real, orthodox, rose colored The wedding was a quiet one, there hades is to spend a night in a locked box car with two mountain ranch mules.

"It isn't a long run from Milton in, and I concluded, after the train had bumped along about three miles and those scared mules had begun to charge of campaign left to me was a flank at Odendahl Bros. movement and a sudden mounting of one of the animals. It wouldn't be a dream of pleasure on that mule's back, but it would be safer than dodging four rapid fire hind heels unlimbered for action. I got on the mule all right, and after a little bucking he steadied down tolerably well. The animal was evi dently scared to death and seemed to take comfort in being straddled by a

"Well, I was just chuckling to myself over the state of affairs in the live stock department of the Espee railway see us in the division yards, where my croup and whooping coughs and is friend the brakeman would open the pleasant and safe to take. It prevents door, when the train stopped, evidently any cendency of a cold to result in pneuat a siding, as I knew we weren't near monia. Odendahl Bros. 3-1-19 a station. We bumped about a bit and then we stood still while some other cars were bumped about and then I heard two short toots of the whistle and a rumble that gradually grew fainter The train had pulled out and we were side tracked. !

"We staid there till morning, too, and I rode that son of a jackass, with a backbone like the ridge of a church in prime condition. Price 25 cents per roof, up and down and around that car every weary minute of all that weary night. To quit riding meant to go to sleep, fall off and have the liver and high lights and half tones trampled and kicked out of me by two scared mountain mules.

"I estimate that I rode that mule 136 miles and three furlongs in that car. and the car traveled 17 miles before being side tracked. The remaining three miles of the 20 between Milton and Stockton I made on foot, thus completing a journey of 156 miles 8 furlongs in a straight line between two given points that are but 20 miles apart, a mathematically impossible feat, accomplished by one jackass with the aid of two relatives on the male side of the house.

The Footprint sighed as he paused to bite off a chew of tobacco, and Slug | Seven took advantage of the opening to remark that a man who had traveled so far under such circumstances must be ry.-Chicago Inter Ocean.

New York a City of Auctions. New York is the city of auctions There are 300 reputable auction houses and three times that number of auctioneers in New York, and they do a yearly business of about \$75,000,000 This does not take into consideration the transactions of scores of small auctioneers who devote themselves entirely to the wants of the east side. - New York Herald.

Stirrups were unknown to the ancients. They were first used in the fifth century of our era, but were not in common use even in the twelfth cen-
