was rendered unconscious. His assail-

the Nashville and Venus, with four companies of the Forty-seventh infantry regiment, under Major Shipton. approached Legaspi. Filipino flags were

flying and the trenches were crowded. A detachment of 150 picked men, led by Major Shipton, landed on the beach about a mile north of the town: the Nashville bombarded the trenches and

the enemy retreated to Albay, whence they were easily dispersed to the hills.

About 200 insurgents, armed with rifles, forced 600 unwilling villagers, armed with bows and arrows, to serve in the trenches in the close range street fighting before the enemy fied. The Filipino dead were mostly villagers, who were attempting to flee.

The expedition will proceed to Samar and Leyte, where the Forty-third infantry and a battalion of the Third artillery will be distributed. The natives complain of lack of food, resulting from the blockade. They are strongly opposed to the return of the ernment under which they will be friars. Native priests are officiating in obliged to live. the churches.

Lieutenant Colonel Webb C. Hayes has defeated an entrenched force of the enemy at Sariga. One American was killed and five wounded. A record of eleven American prisoners was found. Captain Casteel, while scouting near Baras with his company, encountered 400 insurgents. He was reinforced by Captain Gracie and the enemy was driven to Tanay. One American was killed and one wounded.
