Special bargain in closing out boys' suits at Lorentz.

We received a pleasant call last Saturday from J. J. Dilla of Schaupps, one of the many good friends who are sure of reading the Northwestern for ten years ahead.

No need of going out of town this year to get your spring and summer goods, as you can find most anything you want at the Loup City Mercantile Co. they have certainly got the goods.

Mike Kaminski and John Pilonowski were over from Ashton Monday on business, and while here John added his name to the big Northwestern list of readers. Thanks.

Owing to the crowded condition of our columns this week we were obliged to omit news from the routes and not a few other news notes which came in at a late hour. We must insist on matters of all all kinds for publication getting to this office earlier to insure their getting in the paper.

Get your boys' suits, will meet all competitors prices, and are better at Lorentz.

H. W. Gustafson is out square-footed for a new court house. You may be sure all the boys from Hamilton county believe in an up-to-date fire-proof building for our officers and records.

Frank Rossa's public sale at his farm 8 1-2 miles northeast of Loup City and 3 miles north of Schaupps next Thursday, Feb. 26. Positively everything will be sold.

Tuesday night at the home of Mrs. Cora Zimmerman was held a pleasant surprise on Miss Ethel Bullock, soon to be married at her home in Boelus. After the first shock was over, the announcement that there was a man in the house caused a diligent search, but all that could be brought forth was a doll dressed a la Fountleroy. A number of useful household articles were left for Miss Bullock.

Our good friend, George W. Marvel came down from Arcadia last week Wednesday and gave us a pleasant call. Mr. and Mrs. Marvel left Monday for Platteville, Wisconsin, where they will make their future home. That is where George lived as a boy and where he received his first experience in the mercantile business, the same store being in existence to the present day. Just what Mr. Marvel will engage in he did not say, but as the better part of his life has been spent in the mercantile business it is probable he will soon again get into the harness. The Northwestern, with their host of friends here will wish the worthy people all kinds of good fortune in their new-old home.

Sherman County School Notes.

By Supt. L. H. Currier

The joint meeting of the teachers of Sherman and Buffalo counties was a very profitable and pleasant affair. The morning was very threatening and stormy but in spite of this fact the meeting was well attended. Nearly all of the teachers from the south of our county were present. All of the Rockville teachers, some from Litchfield, some from Hazard and three from Loup City were also in attendance. The names of all teachers in attendance from this county will be given in the school items next week.

The fact that there were more teachers in attendance from Sherman county than there were from Buffalo county speaks well for the teachers of our county. The meeting was a success and furnished an opportunity for good fellowship on educational matters. A great many helpful points in teaching were set forth.

At the close of the program there was a basket ball game between the teachers of Sherman county and Buffalo county. Buffalo won the game by a score of 12 to 0. Prof. O. W. Neal of Kearney State Normal delivered an address in the afternoon which was very much enjoyed by all.

This subject, "The Teacher and the Child," was so handled that it must have created in the minds of every teacher and parent present the fact that the child's surrounding and home life has a great deal to do with the success of his school work. The following are some of the thoughts presented; What is a child? Knowledge of the home influences previously exerted necessary if the highest training is given in the school. Practical knowledge of this home life. If the teacher is aware of these parental failings, she can deal with the new generation, gravely yet gently. Examples of home influence upon the child. All parents want the best for their children—sometimes we do not know what the best is. But the desire is there. The lecture deals with the types of children found in a school room. Seeks the causes of their shortcomings and gives remedies.

The lecturer brings out the idea of more co-operation between the parent and teacher—a better understanding of the aims and methods employed. The idea of both law and government in both home and school. The training of the will. The lecture points out why children, lie, cheat etc.—wrong ideal held before them by parents.

Prof. Neal will give this talk at our parents and teachers meeting Saturday, February 28. The lecture is for parents and teachers especially. Don't miss it.

A Joint Officers', Parents' and Teachers' meeting will be held in Loup City, Saturday, February 28. The forenoon session will begin at 10:30. The afternoon session at 1:30. Plans are being made for a particularly interesting and helpful meeting and a large attendance is anticipated. The following are some of the subject that will be discussed:

Presenting fractions to fourth grade pupils.
How may the school promote the interest of the school?
New thoughts on school unit.
Practical application of Grammar. Consolidation.
How to maintain good attendance.
Every parent in the county should try to be present. Remember Prof. Neal gives his talk in the forenoon. Teachers will you not bring an exhibit of your school work? Come early and arrange it that other teachers may have an opportunity to see some of your work and receive suggestions and ideas from you. Read the program sent to you carefully, and see what live, vital subjects are to be presented. Then decide that you will not lose an opportunity of enjoyment and of increasing efficiency as a teacher. Do not miss the talks to be given by Prof. Neal and Prof. Martin.
