Wanted, hides, sheep pelts and wool. We pay highest prices. Write for prices and tags. Omaha Hide & Fur Co. Omaha

A Mass Convention was held at Loup City last week when it developed that the citizens were almost a unit for the erection of a new court house for Sherman county. A very large and enthusiastic crowd were present and a special election for the voting of bonds to build it was decided upon. Sherman county has long needed a new court house, but in years past has bonded so heavily that it was thought best to wait until a more opportune time, and that time seems to have come. Some twenty years ago the indebtedness of Sherman county reached the sum of nearly \$200,000, but today but little of this indebtedness remains to be paid, nearly all of it having been wiped out.—Broken Bow Republican.
