We Pay 5 per cent on Time Deposits.

Careful Attention

To all our callers plays a wonderful part in our business. We'd rather have a man leave our store with a smile on his face without making a purchase than have a man leave with a frown after spending his money. For that reason we give every man our careful attention and we make it our aim to find out exactly what he wants and see that he gets it.

We have nothing "just as good" to offer here, no substitutes to pawn off on anyone.

LOCAL NEWS

Charley Masin now of Ord, but who used to be here in the pop factory, is a candidate for county clerk in Valley county.

Mrs. Clarissa Mooney of Loup City, Nebraska, who is visiting her sister Mrs. Cornwall at Elliston, was a Tingley visitor Thursday, coming over to visit her friend, Mrs. House. She was accompanied by Mrs. Cornwall and her daughter, Mrs. Fouser.—Tingley, Ia., Vindicator.

O. A. Woods received a pony by express last Thursday from Idaho. When he returned from that state some months ago, he left the pony there, having taken it out there with him, and now has just had it shipped back. It is a little beauty and cost him some \$40 to have it returned.

We have received from Dr. James F. Blanchard, Osteopath, formerly of this city, but who went to Los Angeles, Calif., a few months ago to take a post graduate course in the Pacific Medical College of that city, the announcement of the graduation exercises of the class of 1914, of which he was a member.

E. A. Lalk, wife and baby, from the west, were here a day last week visiting the few remembered friends of years ago, when Mr. Lalk's father was connected with Lalk and Kriebbaum in booming Loup City property. He wanted to see how the city looked from what it was years ago. He expressed himself as astonished at the wonderful improvements made.

We received a letter a few days since from Frank Rossa at Kewanee, Ills., where he asks us to transfer his Northwestern, and where he and family will make their home. It was only a few weeks ago that Frank and family went to Union, Montana, where they expected to reside permanently, but evidently Frank had the lure of the east in his system and finds it the greater winner. May they find success where they are.

The St. Paul Republican last week commented on the building and expense E. G. Taylor has been to in putting in the new head gates and also gives Nelson Smith credit for his engineering qualities in putting the enterprise through. In doing so, the Republican credits the news item as from a Loup City paper. We are glad to have the Republican get news from our columns, but why not give due credit, if the item is worth printing?

Someone has advanced the opinion that the letter "E" is the most unfortunate letter in the English alphabet, because it is always out of cash, forever in debt, never out of danger and in ball all the time. For some reason, he overlooked the fortunes of the letter, as we call attention to the fact "e" is never in war and always in peace. It is the beginning of of ease and the end of trouble. Without it there would be no meat no life and no heaven. It is the center of honesty, makes love perfect, and without it there could be no editors, devils nor news.

The new "Central Nebraska and Loup Rivers Route," which goes from North Platte via Broken Bow, Arcadia, North Loup, Scotia, Fullerton, Genoa and Columbus, and then over the Lincoln Highway to Omaha, will be distinctly marked by posts on poles painted with a five inch band of white and a five inch band of black above and below. The route between Broken Bow and Columbus has been selected and will be mostly marked during the coming week. The route from Broken Bow to North Platte has not as yet been selected, and it may go by way of Callaway or by way of Merna and Arnold to North Platte.

COMMENCEMENT

The various events of Commencement week will take place as follows:

The class sermon will be preached May 17, at 8:00 p.m., by the Rev. L. V. Slocumb of the M. E. church.

The Senior class play will be given Tuesday evening, May 19.

Commencement exercises will be held May 20th, the address will be given by Chancellor C. A. Fulmer, of the Nebraska Wesleyan University.

All these events will be held at the Daddow opera house.

A postal card from our good friend, John Warneke, who is now in Florida, requests the Northwestern to be sent to him at Zephyrhills, that state till further notice. He says he has seen Gibson, Hunter, Briggs, McCoy, Fuller and C. Christensen from Nebraska, and they all own land around there, except Christensen who has moved back to St. Paul and took with him an alligator for a pet.
