Mr. J. R. Gardiner of the Northwestern office was made happy last Wednesday morning by the coming of a brother, Earl Gardiner, from Brewster, to make him a few days' visit. Mr. Will Dolling of the Ideal Bakery is certainly a believer in up-to-date enterprise. He has established in his fine bakery an electric dough mixer, capable of holding two barrels of flour, and when made up in bread makes 700 loaves. The mixer, with motor and all electric appliances cost Mr. Dolling the pretty sum of \$430. This was made necessary by the extensive trade he has secured, having daily orders from Sargent, Comstock, Arcadia, Ashton, Rockville and other points. This enterprise shows well for Loup City as well as for Mr. Dolling, who is one of the best caterers to his kind of trade in central Nebraska.

Philadelphia automobilists have discovered lately that short sure by gasoline pumps has been robbing them of thousands of dollars. Discovered lately by short measure by cases pumps supposed to measure accurate quantities of gasoline into automobile tanks have been tampered with to the effect that a stroke supposed to deliver, say five gallons, actually delivers four or four and a half. An investigation was started after one motorist had received a bill for supplying twenty-two gallons of gasoline to a twenty-gallon tank. Gasoline cans with false bottoms have been discovered also. The practice of kicking a dent into gasoline cans was found to be common also. Every such dent, while it might look to the consumer like the result of an innocent contact with the floor, reduces to some extent the contents of the can without reducing the nominal capacity for which the charge is made.

### Young Coyotes on Exhibition

Two of the cutest little coyote puppies you ever saw are now on exhibition in Schrandt & Miller's west window for several days. They were captured last week by Art Best on his farm near Loup City. There were five in the litter originally, about 5 or 6 weeks old but the others were killed. The hardware store boys at first built a wove wire fence for them, leaving the top open, but they went over it like cats, so a roof had to be added to keep them in. They have apparently become reconciled to their fate and spend much time in snoozing in the sun. Their vocal apparatus has not been tested yet, but Billy Zimmerman is trying his best to teach them to howl: "We like Crickets!"—Aurora Republican.

Editor of the Northwestern, Loup City, Nebr. Dear Sir:—Greeley County's new court house will be dedicated on Thursday, June 25th, 1914, and we would be pleased to have you make mention of the fact and extend to the people of Loup City and Sherman county a cordial invitation to be present and inspect the court house. The Greeley Commercial Club will have charge of the celebration.

Thanking you in advance, I am  
Yours truly,  
C. J. Harwood, Secretary.

### Progressive Convention Call

The Progressive party will hold a county convention on Saturday, June 20th, at the court room in Loup City. The business of the convention will be to select delegates to the state convention, to select a new central committee, and to transact such other business as may be for the good and welfare of the Progressive party. All Progressives are invited to attend. E. F. Jones, Acting chairman and secretary.

### Resolution, Notice and Proposition

Whereas, Under the laws of the State of Nebraska it is made the duty of the County Board of Supervisors of each county in the state to provide for a safe and suitable court house for the transacting of the county business, and to provide suitable offices for the accommodation of the county officers and court rooms and offices for the accommodation of the several courts of record of the county, and fire-proof vaults and safes, for the safe keeping of county records, and to provide a jail of sufficient strength to hold prisoners.

And Whereas, Sherman county's court house is an old brick structure and in poor repair, and not fireproof, and wholly inadequate for the services required and unsanitary in every particular, and the vaults are not fireproof and not of sufficient capacity to hold the records of the county, and many of the valuable records of the county affecting titles to real estate are in no way protected against fire, and some of this more valuable records are protected by reason of the board through necessity having hired bank vaults outside of the court house.

The county jail is an old frame structure, and is not of sufficient strength to hold prisoners, and is unhealthful and unfit for use.

And Whereas, By reason of the aforesaid condition of the court house and jail of said county the record title to each tract of real estate in said county is in danger, also the court records and the records involving the estates of deceased persons are unsafe and liable to be destroyed by fire or otherwise, which might result in endless litigation and great expense. And the unsanitary condition of our jail is dangerous to the health of any unfortunate who may have to be incarcerated therein, by reason whereof the county may become liable in damages to those confined therein.

four (4) of the original town now city of Loup City, the county seat of said Sherman county, Nebraska, according to the recorded plat on file of said block four (4).

Said court house and jail to cost not to exceed \$75,000.00 completed and furnished according to plans and specifications prepared by Berlinghoff & Davis of Lincoln, Nebraska, on file in the office of the county clerk of said county. The entire amount of the proceeds of said bonds, or so much as may be found necessary, to be expended for said purpose, said bonds to be payable to bearer at the office of the Treasurer of the State of Nebraska, at Lincoln, Nebraska, at the expiration of twenty years from the date thereof, but to be made redeemable at the option of said county of Sherman at any time after the date of the issuance of the same, on any interest pay-day in the sum of \$1,000.00, or any multiple thereof; said bonds to draw interest at the rate of four and one-half (4 1/2) per cent per annum from the date of issuance of the same, payable semi-annually, which said interest payments shall be evidenced by interest coupon notes executed and attached to said bonds, also payable to bearer at the state treasurer's office of the state of Nebraska. Interest on said bonds to be made payable on the 1st day of January, 1915, and the 1st day of July, 1915, and on the first day of January and July each year thereafter.

The said bonds to be negotiated at a sum not less than their face value. Said bonds to be sold only in amounts needed and at the times needed for the construction of said court house and jail in connection, and the coupons thereon which may be matured at the date of sale are to be clipped and sent to the county clerk, who will draw interest only from date of sale.

And shall the aforesaid board of county supervisors of the county of Sherman, in the state of Nebraska, or such other officers of said county, may be charged by law with the duty of levying the taxes of said county, for the time being in addition to all other taxes, levy, or cause to be levied annually upon all taxable property in said county a tax sufficient to pay the interest on said bonds as the same mature, and shall said board of supervisors of said county, or such other officers as may be charged by law with the duty of levying the taxes of said county, after a tax upon all the taxable property of said county sufficient to pay not less than \$2,000.00 of the principal of said bonds annually for the first two years, and not less than \$4,000.00 of the principal of said bonds each year thereafter, and on the 20th year after the issuance of said bonds levy, or cause to be levied, a tax upon all the taxable property of said county an amount sufficient to pay the residue of said bonds then unpaid, and interest thereon, if any.

And be it further resolved, that the vote on said proposition shall be by ballot in the following words to-wit:

**Official Ballot for Special Bond Election:**  
To vote for the issuance of seventy-five thousand dollars of bonds of Sher-

man county, Nebraska, for building and furnishing a fire-proof court house and jail in connection, and for the levy of a tax on all the taxable property of said county, to pay the interest and principal of said bonds pursuant to the resolutions of this special election, make a cross thus [X] within the square opposite the words: "For the bonds and tax."

To vote against the issuance of seventy-five thousand dollars of bonds of Sherman county, Nebraska, for the building and furnishing a fire-proof court house and jail, and against the levy of a tax sufficient to pay the interest on and the principal of said bonds pursuant to the resolution of said notice of this special election, make a cross thus [X] within the square opposite the words: "Against the bonds and tax."

Against the bonds and tax..... [ ]

The said ballot shall be prepared, procured and delivered to the proper election officers as required by law by the county clerk of said county, at the time and in the form and manner provided by law, and the votes on said proposition to be received and counted and return thereof made, and canvassed by the officers and persons in the county as in form and manner provided by law, and the county clerk is further ordered to procure and deliver to the proper election officers the necessary poll books and other materials and supplies necessary for the submission of said proposition at said special election, and it is further ordered that due and legal notices of the submission of said proposition according to the foregoing resolution at the special election as aforesaid be given by publishing the foregoing resolution, notice, and this order in the Sherman County Times Independent, the Loup City News and the Litchfield Monitor for at least five consecutive issues, immediately prior to Tuesday, the 30th day of June, 1914, and by posting up at each voting place during the day of election a copy of said resolution, notice and order.
