LOCAL NEWS

The Ravenna Creamery close at noon July Fourth for the day.

Commencing next Monday night July 6th, Manager Daddow of the opera house will give a 4-reel picture show every evening during each week-day, instead of every other night as has been the custom the past few months. He has just installed a new film machine of the latest and most approved pattern, which throws the pictures upon the screen in the clearest and best manner. Remember, 4 reels each evening.

Plenty of rubber fruit jar rings and jar lids at the 5 10 & 25c store.

Miss Addie Leininger left Tuesday morning for Flagler, Colo., to be with her sister, Mrs. W. E. Henry, who is still a severe sufferer from rheumatic troubles, and to take the place of another sister, Mrs. Coral Zimmerman, who had been there for some time. Mrs. Zimmerman arrived home the same evening.

Plenty of crepe paper napkins, lunch sets, and paper plates at the West side 5 10 & 25 cent store.

Victor Vincer of the Hub store at this place received word Sunday that burglars had entered the Vincer Bros. store at Mason City the night previous and stole some \$250 worth of clothing. The thieves entered by aid of skeleton keys, showing they were professionals. No clues to the rascals up to the time Vic received the word that morning.

Two large sheets of carbon paper for 5c at the 5 10 & 25c store.

The fine enlarged store room of Vic Swanson is complete and makes one of the best appearing as well as most convenient that could be asked. Making the room the same with the entire length, raising the ceiling to the same height from front to back and taking out the balcony has improved the look 500 per cent. Vic may well be proud of the change for the better.

I hereby announce myself as candidate at the coming Primary Election for the Republican nomination as County Superintendent of Public Instruction and will greatly appreciate the support of the voters of Sherman County. Respectfully,
Ethel Pearson Heapy.

Two large rattlers, one over eight feet in length and weighing 22 pounds, were received Monday for exhibition at Jenner's Park. They are by far the largest specimens ever seen in Loup City, and must be seen to be appreciated.

The Ravenna Creamery will close at noon July on Fourth for the day.

The announcement of the forthcoming engagement of the Wm. F. Lewis Stock Company which opens here Monday night, July 13 and continuing for the week should bring delight to the minds of the local lovers of theatrical amusement. This organization is already well and favorably known in Loup City and the company boasts added strength and merit in their line of plays offered and the personal of players. Each play has been selected after careful consideration and the features of interest to the audience are the possession of merit and the fact that it is new to all. The opening play is "The Call of the Woods," and it is said to be a particularly interesting comedy drama laid along novel lines, and dealing with the people of the great northwest lumber region. Other plays to be offered during the week are "California," "The Stranger," "Rose of the Ranch," "Cinderella," and "Olivia."

The Lewis Stock Company appears in its own mammoth electric lighted and absolutely water proof tent theatre.

SALE OF LAND AT AUCTION

STEPHENS' ESTATE TO HIGHEST BIDDER

The following tracts of choice farming and grazing lands will be sold at the Court house in
Loup City, Nebraska, June 7th.

At 2 o'clock p. m. at Public Auction to the highest bidders, under order of the court; terms one-tenth cash; balance on September 1st, at time of confirmation of sale:

- No. 1. About 131 acres of extra choice level, rich farming land, black soil, in southwest 5-13-14. All under cultivation, adjoining town-site of Rockville, Nebraska; no sand.
- No. 2. Two hundred and fifty and nine-one hundredths acres, according to government survey, but actually much more land, in Section 6-13-13, and in Section 1-13-14, adjoining the Middle Loup river; well wooded; brick house of nine rooms; good improvements; a fine stock farm.
- No. 3. Two hundred and four and one-fifth acres of school, contract and lease land, in Section 26-14-14, as follows: 117 1-5 acres under contract of purchase from the state of Nebraska, upon which there is incumbrance due the state of \$504 on or before Jan. 1, 1928, and \$755.50 due on or before Jan. 1, 1932, all bearing only 5 per cent interest. The state will give a clear deed on payment of said amounts at the date of any interest payments; but said land is not subject to taxation until deed issues, so these contracts are more favorable than deeded land.

Also eighty-seven acres of land under school lease from the state of Nebraska, running until October 11th, 1925.

The above real estate will be sold in three pieces as numbered. Abstracts of title certified to date will be furnished.

Also, nineteen fifty-foot fronts in the Original Town of Rockville will be sold separately, for cash.

The above properties adjoin, and will make one splendid large farm or several good smaller ones as listed.

For further particulars, see or write Lamont L. Stephens, or the undersigned, at Loup City, Nebraska.

Diogenes Says
"Hirsutone is good for the Hair"

"Oh! What a Lot of Hair!"
You often hear this remark because everyone delights at the sight of a luxuriant head of hair. There is nothing that will promote the growth of soft and glossy hair to a greater extent than
Nyal's Hirsutone
There is nothing "just as good," because it is not merely a hair-wash—it's a Tonic—a REAL FOOD—cleanses, nourishes and stimulates the roots of the hair—removes all dandruff and preserves the Hair's natural color and beauty. Fragrantly perfumed—easily applied—put up in handy sprinkle-top bottles—NYAL'S HIRSU-TONE should be on your dressing table. Only 50c and \$1 the bottle. Highly recommended by us.

We are exclusive agents for Nyal Family Remedies—one for each ill—fully guaranteed and recommended.
