## ALONG ROUTE TWO

The carrier wants every one to leave all their troubles at home Monday, Sept. 7, and come to the route picnic with a car. Let's make it one of the jolliest days of all.

To the public: Take a day off and let the children see the funny things in the parade. It will make you all laugh; young and old. It will be one mile long, with something funny the entire length.

All schools are closed on Route 2 for the picnic, Sept. 7.

To the route patrons: If anyone is visiting you or working for you they will be admitted to the park with you.

There were about twenty five teams that were not in the parade last year. Parade forms at 9:30 at W. O. Brown's. Please come early. All who are in the parade please do not leave it until it reaches Jenner's park, where all break ranks. Bring well filled baskets. Autos come early so as not to frighten the horses. Autos lead the parade. Parade stops at U. P. tracks for five minutes to mask. Parade will march on south side of railroad street about six feet from sidewalks; east to Dr. Main's; then west on north side of the street to Frederick hotel; then east straight to the park, unmask on way to park after leaving Frederick hotel corner; keep about ten feet apart; don't forget your tickets.
