Royal Reception Week-- September 12th to 19th

FOR MEN WHO WANT THE MILLION DOLLAR LOOK.

Are we preparing in this town for the tremendous wave of prosperity soon to sweep in? Are we preparing to look the part? Well, I should say so!

We've brought to this store this week the clothes service of those Famous Royal Tailors, clothes-makers, pre-eminent, to America's most successful men.

Roll over in your mind some of the live-wires of the nation--Some of the Royal Good-Fellows and Food-Dressers known from coast to coast. Suppose we take the clean, manly leaders of the great American game of base ball. That's Thst's typically American. There's John McGraw, Connie Mack, George Stallings, Hugie Jennings, Jimmie Callahan, Frank Chance, Clark Griffith, Christy Mathewson and John Evers--every one of them earning \$10,000,

\$15,000, \$20,000 a year, and even more--and every mother's son of them a Royal Tailored Man.

And there's George M. Cohan, a Multi-Millionaire, Glen Curtiss, whose service is probably worth a fortune to the government alone; Harry Lauder, who draws \$5,000 a week--each of them able to buy the best in clothes without regard to price--and each choosing Royal Tailoring--because there's no better to be had.

And now--you can come to this store, right here at home, and have your measure taken for your Fall and Winter Royal Suit--just as leading clubmen go to the Royal Sunshine Tailor shops in New York and Chicago. It's time right now to get in line for the Plums of Plenty. Get that Royal Tailored Look--it presages prosperity.

Prices: As amazing as Royal quality itself. \$16, \$17, \$20, \$25, \$30 and \$35
