To possess a real automobile is the dearest wish of many persons. You have long thought that next year or next season you would join the ranks of car owners, but we are going to make you a car owner within the next seven or eight weeks without one cent of cost to you, that is the fine part.

## And Four Others!

There will be four other fine gifts given away by the Northwestern during this same period of time and besides that we are going to give a cash Commission of ten per cent to everyone who fails to win a prize and who makes a cash report each week.

### AND THE CAR WE HAVE PICKED

Is a FIVE PASSENGER MAXWELL TOURING CAR. A car that will carry five passengers in luxury and safety to any place at any time—a car of a thousand victories. Full equipment, electric lights, Gray & Davis electric starter, wind shield, top cover, extra rim, speedometer. Etc. Purchased of John Blaska.
