Services of Illinois Board of Arbitration Offered .- Thaw Ordered Baik to Matteawan.

Chicago, Ill.-Governor E. F. Dunne has ordered members of the state board of arbitration to offer their services to Chicago building trades workmen and their employers in the interests of industrial peace.

The strike order issued by the car penters' district counsel was followed by a retaliative measure in the form of a lockout directed at 16,000 carpenters engaged in construction work all over Cook county. The lockout debarred the union carpenters from work on 4,000 buildings which are being erected by 1,200 contractors, who are pledged and bonded to maintain their stand until every union in the structural trades comes to terms. The terms include an antistrike agreement covering a period of three years. The union leaders declared that the strike would not end until the demands of the men for an increase in wages of 5 cents an hour had been granted. It was estimated that 125,000 wage earners in Chicago were made jobless, for the lockout and strike tieup operations on \$30, tal of 60,000 unionists of various branches of the building trades, at Announcement that the Lehigh least 60,000 more men and women in shops and mills that furnish material for the buildings were laid off. Emlist of idle will grow unless an agreelabor situation in Chicago has been growing more tense each day since March 1, when the lathers went on strike.
