This birthday comes, seen that the people really pay for fortunately, at a decisive period in this loss and waste. the fortunes of Nebraska. Nebraska became a state in 1867. It was not until many years after that, twenty or thirty, according and Saturday, April 23d and 24th tion for years. As a work animal to individual opinion, that it be- as "clean up days" throughout it is conceded that the mule has no came certain of establishing itself the state. He urges all cities, equal. Harry Obermiller, who as a great, rich state. The years towns and country places to of struggle for existence are now passed. Nebraska has won eco- thus safeguarding the health in will offer for service this season, nomie freedom on the basis of an assured agriculture. The time has come to consider the future use of that freedom. The coming semicentennial presents an opportunity to sum up Nebraska's achievements, to encourage a just state pride, and to create an enthusiasm for the great future which can be built for Nebraska.

It is not too soon to be thinking of the form which the recognition of the coming date shall take The celebration should be as broad as the state, and should be all inclusive in spirit. It should not be a mere flash of a day or a week. It should be the culmination of months of attention to the building of the past and future Nebraska. Perhaps from the state university, whose existence is practically identical with that of the state, might well come the central inspiration—from the university and its everywhere presentalumni. But all Nebraska organizations barrel pickled cabbage, 1 hogsand interests should join in mak-head tobacco, 1 lot nigger hoes, 1 Loup City Mercantile company, of Nebraska's past and present and a prophesy of its future.—State

Sometimes dad says that the paper, somehow, ain't just right and does a lot of kickin' when he reads it Thursday night. He says world is some better than it used fred Anderson. there ain't a dadburned thing in to be. People are not sold at pubit worth while to read, and that it lie auction these days only when doesn't print the kind of stuff that they sell themselves. people need. He throws it in the corner and says it's on the bum, but you'd ought to hear him holler In the Matter of the Application when his weekly fails to come. He reads about the weddings and Odendahl did, on the 21st day of Apri snores like all get out, and he clerk of Ashton, Nebraska, addressed reads the social column with a to the trustees of said village, asking most derisive shout; he'll read about the parties and fuss and fret building situated on lot four(4), block and groan and say they print the six (6), of the origina! town of Ashton, Nebraska, for the municipal year paper for women folks alone. He says of information, it don't confrom and after its date, in the mantain a crumb-but you'd oughter ner provided by law. hear him holler if the weekly fails Any objection or remonstrance to at O. REFRIGERATORS

The season is at hand when the housewife begins to

have thoughts of the care of her vegetables and meats during the hot summer months when cooked

foods spoil rapidly or are polluted by the housefly.

A sanitary refrigerator is a necessity and the buyer

should use care in the selection of a cooling device.

Wisconsin "Badger"

Refrigerators

are made of thoroughly seasoned ash lumber. They

are perfect in workmanship, attractive panelled case in beautiful golden oak finish. The sanitary features

are removable and can be cleaned at will. The ice

rack is of galvanized steel and removable. The gal-

vanized steel drip cup prevents odors from entering

the refrigerator. The careful buyer will find features

in this refrigerator that are not equaled by others.
