ITALY'S PARTICIPATION IN WAR WILL SURROUND AUSTRIA.

Teutonic Allies Are Making Suprer Effort to Crush Russia-Serb Army Reorganized.

London.-A state of war now virtually exists between Italy and its former allies. Austria and Germany. Austrian troops have been withdrawn from some of the frontier posts and all navigation services in the Adriatic have been suspended. An indication that the clash is not far off is seen in the fact that the Italian senate endorsed the action of the chamber in granting the government extraordinary powers in the event of war, for which the whole country appears to be enthusiastic.

Serbs March On Austria. Simultaneously with the advent of Italy into the war, Serbia's reconstructed army has fully recovered from the campaigns which resulted in the Austrians being driven from Serbia and well armed and equipped, it is announced, have commenced a march toward the Austrian border. bent on another invasion of Austrian

Thus Austria is being attacked from all sides and has still another enemy, Roumania, in prospect, but it has been an open secret for a long time that Italy and Roumania have an agreement to act in concert. Roumania, however, is awaiting the conclusion of an agreement with Greece and Bulgaria, which also are expected to join the allies.

REPORTS REACH LABOR CHIEF

Commissioner Coffey Gets Line On Harvest Hands That Will Be Needed Through Solons.

Lincoln.-Reports from a half a dozen Nebraska counties received by Labor Commissioner F. M. Coffey in dicate farmers are expecting the biggest wheat crop in the state's history and expecting to need farm hands during the harvesting season. One or two reports state the crop will double that of the banner year of 1914 and that the acreage is much larger.

Coffey asked members of the legislature to furnish the crop reports so he could get a line on the number of harvest hands needed for this

Cairo reports the wheat is excellent and harvest hands will be paid \$2.50 a day. Beemer reports 10 per cent better outlook than at the same time last year. Amherst says the acreage is 10 per cent larger than last year, and prospects 50 per cent better than at the same time in 1914. The eastern half of Buffalo county can use 100 extra men at \$2.25 per day, the report states.

Gothenburg reports a larger acreage than last year, with chances of double the yield of a year ago. Two hundred harvest hands at \$2 a day can be used. Valparaiso has the same outlook as last year, the report states, with the farmers needing fifty more men at \$2 a day. Geneva reports 150 hands will be needed, with wages at \$2.50 a day.

All reports agree the harvest will start about July 1.

Proclaims May 31 Memorial Day. For the first time in the history of the state the governor issued a Memorial day proclamation, made necessary by the fact that May 30 this year falls on Sunday and that the legal holiday goes over to Monday. In his proclamation, Governor Morehead calls special attention to the peace that exists in the United States in contrast to conditions the rest of the world over, and says that it is especially fitting that the day be universally observed this year.
