## QUARANTINE FOR CATTLE.

Governor Issues Order Affecting Counties in Western Nebraska.

On the recommendation of the Bureau of Animal Industry of the Department of Agriculture Governor Sheldon has issued a quarantine proclamation against certain counties in the state, as follows:

The Bureau of Animal Industry of the United States Department of Agriculture has seen fit, on account of the existence of scabbies in cattle to some extent in certain counties of this state, to regulate the movement and shipment of cattle therefrom.

South Omaha is a public market. Therefore there must be maintained at the stock yards a quarantine division. All cattle shipped from parts of this state under quarantine by the Bureau of Animal Industry to South Omaha, whether infected or not, must be unloaded into the quarantine division. This necessarily works a hardship upon the shipper in the quarantine district whose cattle are clean.

The Bureau of Animal Industry, upon the request of the deputy state veterinarian, has concluded to co-operate with the state in the control of scabbies in cattle within this state. To ameliorate the present conditions and to prevent the spread of scabbies throughout the state to the injury of the cattle industry, it is hereby ordered, subject to the approval of the governor, that the regulations of the honorable secretary of agriculture, known as Order No. 143, now effective in the interstate movement of cattle, be and the same is hereby extended so as to control the movement and shipment of cattle from the counties of Banner, Blaine, Box Butte, Cedar, Chase, Cherry, Cheyenne, Dewar, Dawson, Deuel, Dundy, Garfield, Grant, Greeley, Keith, Kimball, Lincoln, Logan, Loup, McPherson, Perkins, Rock, Scotts Bluff, Sheridan, Sioux, Thomas, Valley and Wheeler.

All cattle in counties within this state not above enumerated may be shipped without inspection to any points within this state as "uninspected cattle" until such time as it may be ordered otherwise.

Regents Issue a Statement Regarding Rumors. C. S. Allen, president of the Board of Regents of the University of Nebraska, has issued the following statement: "The rumor that Chancellor Andrews has resigned has been given such publicity that it is due the public and the university to state the facts. 'Last spring the chancellor was in ill health, resulting from an attack of grippe. His recovery was slow, and fearing that he could not regain his health without a complete rest, he tendered his resignation at an informal executive session of the board. The board by unanimous action refused the resignation and voted him a leave of absence for four months. At the end of his vacation he returned greatly improved in health, and the improvement has continued to this date. All traces of the malady from which he suffered last spring have disappeared. He is physically able to attend to the duties of his office and is attending to them to the satisfaction of the board. He has not tendered his resignation nor will he so long as his present good health continues."

Rather Equivocal.

Uncle Morton, an aged negro, who had been a slave in the days before the civil war, was a retainer in the household of an Atlanta family. He was something of a philosopher, and a good deal of a diplomat. One day the waitresses, two young mulattos, were chaffing him.

"Uncle Morton," one of them said, "who do you like best, Belle or me?"

The gray-headed negro looked first at one then at the other, and said with a tone of indecision:

"It am too tedious to say."

## ITCHING HUMOR ON BOY

His Hands Were a Solid Mass, and Disease Spread All Over Body—Cured in 4 Days By Cuticura.

"One day we noticed that our little boy was all broken out with itching sores. We first noticed it on his little hands. His hands were not as bad then, and we didn't think anything serious would result. But the next day we heard of the Cuticura Remedies being so good for itching sores. By this time the disease had spread all over his body, and his hands were nothing but a solid mass of this itching disease. I purchased a box of Cuticura Soap and one box of Cuticura Ointment, and that night I took the Cuticura Soap and lukewarm water and washed him well. Then I dried him and took the Cuticura Ointment and anointed him with it. I did this every evening and in four nights he was entirely cured. Mrs. Frank Donahue, 208 Fremont St., Kokomo, Ind., Sept. 16, 1907."

## Writers and Employers.

Bernard Shaw remarked recently: "Milton took £5 (\$20) for 'Paradise Lost' because he could not get any more. I should ask £5,000 for the same quantity of pen-and-ink work because I need not take any less. The employer to-day is emphatically a man who, like Milton and myself, has to take what he can get."

## REMINDED HIM OF HOME.

New Yorker Saw Beauty in Sign, Where Maiden Lady Could Not.

A party of tourists was being shown around Ciudad Juarez, the little Mexican town just across the Rio Grande from El Paso, Texas. Every one was delighted with its picturesqueness, and in particular a maiden lady, who went into raptures about each new sight.

"It is all so quaint," she said. "These adobe houses, the old church, the narrow streets, the little plaza, those dreadful-looking men wearing sombreros; everything breathes the spirit of an old-world civilization. It is so different from our United States."

"That's so," assented a New Yorker man who had been listening. "For instance, where in all the world could you find anything so antique, so full of inherent beauty, so charged, as it were, with the essence of pure joy, as that sign over there." He pointed toward a whitewashed mud house on whose exterior was painted:

"BIGGEST BEER IN TOWN, 5c."

The woman eagerly turned to look. Then she froze the horrid man with a glance and did not speak to him again during the whole trip.

## Frank If Not Complimentary.

Her brother, aged 17, had been made captain of a high school football team and consequently had become suddenly popular with the girls in the neighborhood. Because of this the manager of a skating rink presented brother with a season pass. Sister, who had attained the tremendous age of 20, was truly flattered when brother asked her, rather than some of the younger belles of his acquaintance, to share the privileges of that skating rink pass. But brother's explanation removed all danger of the immediate growth of sister's vanity. "You see," he told her with frank simplicity, "I'm not used to skating with girls. I'll practice on you for a month or two, and then when I can do it real well I'll ask some of the other girls."

## Novel Trio.

"Do you like ensemble music?" the city girl asked young Nathan Hobbs of Willowby, who was trying to entertain her at the church "social." Nathan looked bewildered.

"I mean do you enjoy hearing several instruments played together?" asked his new acquaintance, taking condescending pity on his ignorance.

"I guess I do," said Nathan, brightening at once, and speaking with enthusiasm. "Sy, you just wait till you hear Etta Willis on the organ with Ed Holmes playing the harmonica and Sadie James the triangle. It's great."

# REV. TROUTMAN SENDS BEST WISHES FOR PE-RU-NA

Rev. George A. E. Troutman, Mt. Washington, Mo., Writes,

"My Wife and I Are Strong Believers in Pe-ru-na."

Catarrah and La Grippe. Rev. Geo. A. E. Troutman, Mt. Washington, Mo., writes: "My wife and I are strong believers in Peruna."

"For several years I have been troubled with a peculiar spasmodic affection of the throat. It would seize me suddenly and for a few minutes I would be unable to speak audibly, and my breath would be greatly interfered with. I would be obliged to gasp for breath. I finally concluded that it was some catarrhal affection which probably excited the spasm. It interfered with my vocation as a preacher, attacking me occasionally in the pulpit. "I had heard so much about Peruna as a catarrh remedy that I determined to try it. After taking two bottles, my trouble has disappeared. I feel sure that Peruna has greatly benefited me." Rev. P. E. Swanson, Swedish Baptist Pastor, Box 228, Grantsburg, Wis., writes that from the use of Peruna he is perfectly well, entirely cured of chronic diarrhea and catarrh.

I was cured of a bad case of catarrh when nothing else that I tried had any effect. My wife was cured from a severe case of la grippe, and we feel that the least we can do is to gratefully acknowledge the merit of Peruna. My wife joins me in sending best wishes for your success."
