J. W. BURLEIGH, Ed. and Pub.

When you read of the late blizzards
in the east and consequent deaths of
many people by freezing even in the
great cities, one is more than ever
glad he lives in Nebraska, where it is
"Good Old Summer Time" almost all
the year 'round. You're safe in
standing up for Nebraska all the time.

The St. Paul Republican last week
brought out the candidacy of H. L.
Cook, present deputy state auditor,
to succeed State Auditor Searle in
that office. It seems to obtain as an
unwritten law lately in Nebraska for
a deputy state officer to succeed his
chief. Such is the wish of the
deputies in the offices of the land
commissioner, state superintendent
of instruction and the state auditor
as so far expressed, with the offices of
governor, state treasurer and attorney
general yet to hear from.

Hazard Happenings.

The ground hog was out all day.
Several cases of la grippe are re-
ported around town.

Thursday.

doing business in our burg last week.

Mr. Frosts nephew left for Iowa
Thursday of last week.

The bank report showed \$12,000 in
deposits the first of February. No
money panic at Hazard.

The new depot is nearly finished
and will be ready for business in a
few days.

The M. E. social held at Philpot's
hall was a success, both socially and
financially, \$16 being taken in for the
benefit of the church.

Paige-Richardson.

In the presence of about forty of
their relatives and friends, Mr. Chas.
M. Paige and Miss Lula M. Richardson
were married Wednesday evening,
Jan. 22, 1908, at the home of the
bride's parents, Mr. and Mrs. J. W.
Richardson, five miles east of Ft.
Collins, Rev. W. J. Kidd of the M. E.
church performed the ceremony which
united the two lives. The wedding,
although a quiet affair, was a very
pretty one, the beautiful ring cere-
mony being used. At the appointed
hour the bride and groom entered the
parlor attended by Miss Mabel Tanner
as bridesmaid and Arthur Richardson,
brother of the bride, as best man.
The bride was beautifully attired in
white and carried white roses, the
bridesmaid in cream and carried white
carnations. After congratulations the
guests were seated at a bountiful
dinner prepared by the bride's mother.
They were the recipients of many
useful and costly presents. One of
the features of the evening after the
wedding was the "pig trough" dance
by the two older brothers of the bride.
It is an old custom that when one
member of a family is married and
there are others older still single, they
must pay the penalty by performing
this novel dance, consequently a new
pig trough was brought into the room
and the boys faithfully performed
their part of the ceremony. Mr. and
Mrs. Paige have many warm friends
whose best wishes for a long and
prosperous life go with them. Mrs.
Paige will remain in Larimer county
with her husband, while her parents
will move to Montrose county, where
Mr. Richardson has purchased a fine
160-acre tract of land.—Ft. Collins,
(Colo.) Morning Express.

TREATMENT FOR SICK HOGS

**A Fillmore County Farmer Gives
Public a Recipe.**

J. W. Williams, a successful farmer
of Fillmore county, gives the public a
recipe for a powder that he claims is
a mighty good thing to have prepared
and feed to your hogs when they be-
come sick with what is termed
"cholera."

Mr. Williams says this recipe was
given him by Prof. Moberly of the
Ohio Experimental station. While in
the west investigating agricultural
conditions, Prof. Moberly visited Mr.
Williams and during that time farm-
ers over the state were losing hogs
very fast with cholera and he gave
this recipe to Mr. Williams for what
he claimed was good for worms. Mr.
Williams has used the remedy for
years and found it a good one and
now gives it to the public:

- Worms in Hogs and Chickens.
- Air slacked lime.....4 pounds
 - Venetian red.....2 pounds
 - Black Antimony.....2 pounds
 - Soda.....1 pound
 - Pulverized copperas.....2 pounds
 - Pulverized asafetida.....1 pound
 - Red Pepper.....1 pound
 - Lewis Iye.....1 pound
 - Alum.....1 pound
