No More Bad Eggs.

J. W. Johnson, deputy pure food Daily low round trip rates to Port-Saloon League will appeal the case to described as Bulletin No. 2, in which

"The Nebraska pure food law makes it unlawful to sell bad eggs and provides a penalty of from \$10 to \$100 for each offense.

"It is unlawful for the farmer to sell bad eggs to the merchant.

"It is unlawful for the merchant to sell them to his patrons or egg

"It is a violation of the national pure food law to ship bad eggs from one state to another.

"The law was passed in the interest of honest dealing, and it is not honest to sell bad eggs for good money. It is reported that in some cases spoiled eggs have been taken from the incubator and marketed at the grocery store when the producer thought the buyer was too busy to examine them. It is the duty of this department to prosecute offenders whoever they may be, no matter whether producer or dealer. The law is trying to protect, not only the honest producer and honest dealer

through publicity. "Nebraska hens are producing 90,000,000 dozen eggs annually. These these markets by reason of the dishonest and careless mixing of bad eggs with the good.

"Five cents a dozen on 90,000,000 dozen eggs amounts to \$4,5000,000. "By reason of this careless and dishonest mixing of bad eggs with good, we lower the value of our annual output \$4,500,000."
