### A Well-Rounded Life

Last Friday morning at an early hour, there passed from this life into the peaceful beyond, Grandma Beck, at the ripe old age of 92 years, 6 months and 7 days, her earthly career spanning being at the home of her ever faithful and loving daughter, Mrs. Clemma Conger. Few there be that have passed through so many eventful years in life's fitful existence, and less with the patient, Christian fortitude, looking forward to a life of peace and happiness in the great beyond. The funeral took place at the Methodist church Sunday afternoon at 3 o'clock, Pastor James of the Baptist church in a well-warded address officiating at the last sad rites. The body of the church was filled with friends of the deceased who came even in the most sultry weather to pay their last sad respects to the departed. A number of aged women, close friends of the departed, acted as honorary pall-bearers, making a beautiful, yet pathetic sight as they followed the bier into the church edifice, their tottering footsteps giving evidence that their companion had only preceded them a few days, months or years, as the case may be, into the mystic beyond. The casket was smothered with handsome flowers emblematic of the pure, sweet life resting beneath.

### Dale-Chase.

On last Saturday morning, July 25th, 1908, at the early hour of 5:30 o'clock, occurred the marriage, at the residence of the bride's parents, Mr. and Mrs. W. T. Chase in this city, of their daughter, Lela, to Prof. Raymond E. Dale of Denton, Neb. Rev. L. C. McEwen performing the ceremony, on the immediate family of the bride and parents of the groom being present, besides Misses Ella Taylor and Jess Culley, the former playing the wedding march and the latter serving as bridesmaid. The ceremony was followed by a breakfast and the happy couple drove immediately to Ravenna, where they took the train to Lincoln and Omaha, to the disappointment of the crowd of young people who had gathered at the depot to give them the usual shower of rice and old shoes. They will later visit relatives at Coon Rapids, Iowa, and returning will visit at the home of the groom's parents at Denton, Neb., later coming to Loup City for a short visit. The bride is the only daughter of Dr. and Mrs. W. T. Chase and was born in this city, and is highly accomplished. She is a prime favorite of her many friends here both old and young. The groom is one of the most successful teachers in the state, for three years principal of the Loup City schools, ending this year, and made hosts of friends here. The professor has not as yet accepted any one of a number of schools offered him for the coming year, but will probably make an acceptance prior to their return to Loup City a few weeks hence. The Northwestern, with our people as an entirety will wish for Prof. Dale and his fair bride a goodly measure of prosperity and marital bliss.

### Chautauqua Cancelled.

The following self-explanatory letter from the Chautauqua is given the public. At this late day it is much better to cancel the Chautauqua entertainment, as it would be impossible in the short time left to make the necessary arrangements and give the proper advertising. As to whether we will have a Chautauqua next season will depend upon whether the people are interested enough in it to take hold of the enterprise:

Lincoln, Neb., July 23, 1908.—Dear Sir: We are sorry that it becomes our duty to inform you that the Reform Chautauqua Association has found it necessary to suspend work for this season. This decision has been made only after finding ourselves forced to face with many embarrassments that cannot be overcome for the present. The floods and consequent delays in transportation; the sickness and death of our Supt. Rev. J. S. Tussey's child and his absence from the work, and the sickness of our treasurer, has placed us in a position where it is impossible to continue, as men to take up the work are not to be found. The money advanced by towns where Chautauquas are not held will be returned and all indebtedness will be settled in due time. We begin at once our preparation for the coming year and trust we will be able to hold a Chautauqua in your town next year. The Assemblies this year were eminently successful from a popular point of view. Every Assembly at which the matter was submitted to a vote of the local Association, voted to take the Reform Chautauqua next year. Some went so far as to offer to guarantee \$500.00 in order to secure a return of the Chautauqua. We hope to see you in due time and arrange for next session of the Assembly. Yours truly, Rev. J. S. Tussey, Supt. AMOS VANCE, Sec'y.

Now is the time to join so that we will be ready to meet any high school or college team in the state when the season starts.

Towels for the shower bath will be found in the top drawer at the left in the gymnasium. This drawer is locked, but you may get a key at Cooper's, or of any of the officers by paying for the towels you expect to use. Please lock the drawer and return the key when you are through.

Wanted—An instructor for evening classes at the gymnasium. No one but those having experience in gymnasium drills need apply. See Max Jeffords about the hours and salary.

Look for the report of the financial standing of the Association next week. We will give the total receipts and expenses since the Association started.

We have bought a stove for the shower bath and will put it in as soon as the weather changes. Just now the bath is fine without warm water. If you have not tried it do not wait any longer. You get the bath free and a towel is loaned for the small sum of five cents.
